## **OUR POLICY**

July is stocktaking month—also, July winds up the active Millinery Season. Therefore, it is our policy to go over our entire stock, using the "blue pencil" with certain effect. Everything will be marked at cost or lower during this month. McKENDRY COST means much, for we purchase in the world's markets with ready cash.

It may seem strange, but we are already com-mencing to think about the Fall Season. All our late Summer Millinery must be cleaned out before

Whatever your Millinery needs, we can meet them, and during this month at prices that defy competi-

Packarda MOTOR TRUCKS

MOTOR CARS

HE Union Merchants' Ice Delivery Company of San Francisco put a Packard three-ton truck into service in April, 1909. After the truck had been used eight months, the company reported that it had saved \$1190 by comparison with the cost of hauling the same amount of ice with horses.

In January, 1910, the same company purchased two more Packard trucks.
