

[ADVERTISEMENT.]

WE have much pleasure in submitting to the Public the "YEAR BOOK" for 1891. We hope it may be as useful and give as great satisfaction as past Editions have done, great care has been taken to make all necessary corrections. Nothing of importance has been added to the contents of last year's Edition, if we except a list of Companies incorporated in Newfoundland and at present doing business.

All Communications, &c., addressed, marked "Almanac," to F. C. BERTEAU, St. John's, will receive an earnest and careful consideration.
