In the last game between Rock City and Quebec city the latter team won after a hotly contested game to the tune of 3 to 2. Hodd, last year's pitcher for St. John's, who has pitched cunning ball for Quebec city, played left field and Ramsay of this city covered second base for Quebec "Alert" White, formerly with the old "Alert" of this city, played third base for Rock City. Ramsay figured in a double play as a Quebec paper says "Hodd figured in the limelight at different intervals." The original "Tip" O'Neill, who formerly played on the St. Louis grounds, umpired the game.

THE FISH MARKET

Good Supply On Hand for Tomorrow's Trade.

The total fish market is well supplied for tomorrow's trade and the general variety is good, with the exception of shad, which are scarce. According to a local dealer, of many years experience, the shad catch this season has been a failure only about one-third the average number of fish having been caught. Roe shad are selling at 65c. wholesale in Boston and this makes the local market prices higher than usual.

Retail figures this week are as follows: Cod, 5c; cod steak, 10; halibut, 15; gasperquoy, 10; shad, 20; salmon, 12; haddock, 12; finnan haddies, 7c; clams, 15c; harbor salmon, 25 to 35c; a pound; blisters, 24c and kippers, 24c.

SIR WM. MULOCK'S REPORT

OTTAWA, Ont., May 27 (Special)—Sir William Mulock has forwarded to the minister of labor his report, as chairman of the conciliation and investigation board, appointed by the labor department in the recent coal miners' troubles in British Columbia.

He reviews, briefly, the negotiations leading to a settlement of the dispute between the men and the operators without any necessity of the intervention of the board. A letter from the operators and a statement made on behalf of the men are quoted expressing their appreciation of the good offices of the deputy minister of labor and of the fact that Sir William had sacrificed his personal comfort at the call of duty to aid in bringing about a settlement.

THEY ARE OUT AGAIN

(New Glasgow Chronicle.) Several times we have asked Messrs. Tanner and Baillie if they have taken the extra hundred dollars indemnity without receiving any answer. Tanner and Baillie choose to answer well and good; if not well and good. Did Messrs. Tanner and Baillie take the tainted money?
