The Winter Session of 1889-90 will begin on Tuesday, the 1st day of October next, and will continue for six months. The opening lecture of the course will be delivered by Dr. Bingham, at 4 o'clock p.m., on that day, in the College. The regular work of the College begins at 8 o'clock a.m. on the following day. It is hoped that, in view of their own interests, students will, as far as practicable, be present at the opening lecture, so as to lose none of the early teaching in the several branches.

The Faculty record with pleasure the constantly increasing prosperity of the College.

From its inception "STABILITY AND EFFICIENCY, with PRACTICAL TEACHING IN EVERY BRANCH," has been the motto and the basis on which this College has been, and will continue to be, conducted.
