COCOANUT OIL FINE FOR WASHING HAIR
If you want to keep your hair in good condition, the less soap you use the better.
Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain mulitised coconut oil (which is pure and entirely greaseless), is much better than soap or anything else you can use for shampooing, as this can't possibly injure the hair.
Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanse the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dirt, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.
You can get mulitised coconut oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.

LIKE A LIVING SKELETON
Another Striking Cure by Dr. Cassell's Tablets
Tortured With Severe Chest Pains, Palpitation and Headache
Almost Blind With Dizziness
Could Retain Nothing on Her Stomach for Long
Completely and Permanently Cured by DR. CASSELL'S TABLETS
Here is a story which shows once again the extraordinary power of that famous British remedy, Dr. Cassell's Tablets, to restore the vital processes of the body, and thus to effect recovery in cases where cure was not even hoped for. No one who saw Mrs. King, 19 Vernon road, Copnor, Portsmouth, England, ever expected her to recover, yet today she is, as she expresses it, just full of health and strength, thanks to Dr. Cassell's Tablets. Seen recently, she said: "The cure which Dr. Cassell's Tablets have effected in me is to my mind nothing short of marvellous, and I can never express the gratitude I feel. They have splendidly strong and well, though before I took them I was so wasted and suffering that recovery seemed out of the question.
"I am a woman of middle age. I have borne 28 children in 28 years, and all my trouble dates from the birth of my last baby, five years ago. I was never the same after that. My strength went from me, and I began to suffer with pain at my chest and round my left side. So severe did this become that I could not bear the slightest pressure, and the pain in my side was terrible. I lost all appetite, and used to suffer from frightful headaches, and palpitation that was like an engine beating in my breast. I felt almost blind with dizziness, and oh! so sick. Then came retching. Everything I took returned, even a glass of water, or a cup of tea. I was also extremely constipated. I was in bed for weeks at a time, and when I struggled up from my weariness, I had soon to go back again. I got weaker and more wasted

and he became so weak that he could hardly get about at all. Instead of playing himself he used to just sit and watch the other children play. And if I took him out for a little walk he was tired before we had gone many yards. But it was the loss of nervousness that was in that was his worst trouble. He would jump at a sound, and any unusual noise used to set him screaming. His appetite was very poor, and his flesh lost all firmness and became quite soft and flabby. If he stooped it hurt him to get up again. Of course, we did everything we possibly could; we had bottle after bottle of medicine, but it did no good, in fact I thought the child was getting worse. One day my wife told me he had not used his left arm all day. This alarmed me; I began to fear that he would be crippled. However, with the help of a toy drum we got him to use his arm again. But his health was no better, so as the ordinary methods of treatment had quite failed I decided to try Dr. Cassell's Tablets. It was not long before improvement came. The little fellow brightened up wonderfully. He got his appetite back, and soon the nervousness was gone. Now he is as bright and active as any child could be."

A Bed Dream.
"Last night," explained the girl to the fortune teller, "I dreamt that snow covered the ground and a little Cupid, dressed in a linen duster trimmed with fur, and a silk hat, was coming toward me. Every now and then he would stop and eat a snowball. Tell me, what means this vision?"
"Your girl," sighed the seeress, "there is only one translation of your dream. You will marry an actor."
