

W. S. ALLISON RE-ELECTED PRESIDENT OF ST. JOHN AMBULANCE ASSOCIATION

Reports at Annual Meeting
Show Much Work Accomplished.

The annual meeting of the New Brunswick council of the St. John Ambulance Association in the Board of Trade rooms last night was graced by the presence of distinguished guests, the Earl and Countess of Ashburnham. Dr. Clarence Webster and the Countess of Ashburnham presented the large number of First Aid awards to the winners, who all received applause. W. S. Allison, the president, was in the chair and was re-elected to office.

The year's reports showed an excellent record of accomplishment and at the meeting future avenues of endeavor were outlined in the address of Murray MacLennan, C. M. G., M. P., M. D., Dr. Webster and Hon. Dr. W. F. Roberts.

The Earl and Countess made brief addresses of congratulations and good wishes. A pleasing incident of the meeting was the salute given by the St. Andrew's cadets who were wearing their smart uniforms. Heartly thanks were extended to the speakers and the distinguished visitors on the motion of Dr. James Magee, seconded by Dr. J. Roy Campbell.

AUTO UPSETS AND FIRE DESTROYS IT

Party of young men have Exciting Time Near Loch Lomond.

A party of young men had a rather exciting time while riding in a Maxwell coupe automobile owned by

James Magee, on Wednesday night. Something went wrong with the steering gear and the car suddenly left the side of the road

and rolled over on its side near Mr. Sprout's residence. The pole is reported to have been broken and the automobile turned completely over and

rested on its top with the wheels in the air. Fortunately, the occupants of the car were able to get out without

practically no injury. The automobile caught fire and before the blaze was extinguished the interior of the car was badly damaged.

It was found necessary to leave the car turned upside down on the side of the road, and it was reported yesterday that during the morning nearly everything movable, including the tires from the wheels and a spare tire, had been taken away.

It is understood that the car was newly purchased early this spring at a cost of \$2,200 and was insured against fire for an amount of about \$1,100.
