GOOD THINGS COMING TO THEATRES OF ST. JOHN

ANNIBALS OF THE SOUTH SEA ISLES" A FILM MASTERPIECE"

Nothing Like It Has Ever Been Put on the Screen Before—A Real Photographic Wonder

The big audience left the Unique Theatre last night, after witnessing a showing of Martin Johnson's amazing film revelations of savage life in the South Sea Islands, with two simultaneous and equally stirring impressions. One was personal, subjective, and concrete—the pleasurable reaction of the keen and experienced eye; the other, impersonal, objective and abstract, had for its core a vision of stupendous possibilities latent in the newest of arts—the motion picture.

Doubtless all who saw the first chapter, and many more will avail themselves of this opportunity. Two shows every afternoon, at 2-3:30; Evening 7-8:30. Prices: Matinee, 10 and 15c. Evening 15 and 25c.

BILLIE REEVES AND OTHER FEATURES; ALL NEW AT OPERA HOUSE TONIGHT

The Opera House vaudeville programme for tonight, commencing Thursday is rich in comedy and hearty laughs with such a big feature heading the bill as Billie Reeves, the famous motion picture comedian, himself, with a supporting company of three in an uproariously funny farce comedy in one act, "The Right Key But the Wrong Lock," with songs, dances, and Mr. Reeves in his own inimitable comedy imitations. You have laughed at Billie Reeves many times on the screen—there is a chance to see him in the flesh and have a good long laugh.

Other good acts on the bill are June and Irene Melva in novelty musical offering; John F. Clarke, extemporaneous singing comedian; The Robinsons, in comedy songs and eccentric dancing; Pete Murray, Scotch humorist; and the serial drama, "The Iron Ties," with a new chapter at 7:30 and 9, old time. Tomorrow afternoon at 2:30.

"CINDERELLA," BIG PRODUCTION

"Cinderella," an English pantomime, founded upon the famous fairy story of the same name, will be the offering at Imperial Theatre Wednesday and Thursday of next week. The production, which is in two acts and eleven scenes, is under the personal direction of the noted actor-manager, F. Stuart Whyte, whose previous pantomime offerings, "Aladdin" and "The Robust Crusoe," were features of the two theatrical seasons past. Many of the favorite artists of these well remembered attractions are still with the company, including Miss Zara Clinton, who will again be the principal "boy," playing the role of Prince Charming. The most notable addition to the personnel of the cast being Miss Sue Parker, who plays Cinderella. Not only Mr. Whyte provided a wonderful cast and chorus, but he also assembled a production that is said to surpass anything ever before attempted by a touring company. Seat sale May 5th.

Competition by buyers is not keen.

The confusion over time here is worse than ever.

THE TWO TIMES

The city laborers have solved the time problem, since the daylight plan was introduced yesterday as the official standard for city work. Instead of working from seven to five o'clock, they now work from eight to six, according to the corrected clocks, without altering their time according to the sun.

HALIFAX FACES THE POSSIBILITY OF STRIKE

Halifax, N. S., April 29—A strike of building construction mechanics in this city is possible. They asked a uniform schedule of seventy-five cents an hour for all branches of building construction. The contractors would agree to only a twenty per cent increase for carpenters and ten per cent for other trades. The situation is a deadlock, with a strike on May 1 a probability.

Crumbling Thrones Have Wrecked Whole Dynasties—Kings and Emperors Toss of Greece the Butt of Twiss Humor and Ridicule

Paris, April 28—Now that the dust of crumbling thrones that wrecked whole dynasties in their fall has somewhat cleared, that emperors, czars, kings, grand dukes, archdukes, and princelings have abandoned the tottering structure of the empire of the world, it is interesting to compare the present conditions of these rulers with that which they occupied six months ago.

The story of the fall of the house of Hohenzollern would fill volumes. It is a far cry from the dreams of world domination, the dictation of peace in shining helmets and spurred boots arrayed in the Palace of Versailles, to the little villa hidden among the lowlands of Holland. Morose and taciturn, William, Hohenzollern, second and last of the name is awaiting the judgment of the Peace Conference which the German Emperor has been living in a hotel on Rigi Mountain, Switzerland, under the name of Count Mansfield.

Rupprecht, the former Prince of Bavaria, of western front fame, was the guest of the Bishop of Constance, Switzerland, for some weeks, but his present whereabouts are unknown. Rupprecht has never recognized the republic of Bavaria, and his last words upon leaving Belgium were: "I abdicate nothing; I renounce nothing."

Louis, the erstwhile King of Bavaria, succeeded in entering Switzerland, and the lieutenant in charge of the frontier port of entry was arrested for allowing him to pass without proper passports. Louis was travelling as a commercial man.

LEFT SAUSAGE AND WHISKY ON TABLE

Charles Taylor, in the police court this morning, was charged with breaking and entering and stealing property from, and also damaging a summer cottage at Morris owned by Mrs. Currie. Mrs. Currie gave evidence that on one visit they had used her stove to cook sausages and they left some with a part of a bottle of whisky.

Albert D. Currie, her son, identified the coat as his and said that he had seen it on the accused on two occasions. Detective Biddiscombe said that on last Saturday night he received a telephone message from Albert Currie to meet him in Union street and he would point out the accused. The case was postponed until tomorrow afternoon.

GOMPERTS ON BOLSHIEVISM

(Montreal Herald.)
Bolshievism was bitterly denounced by Samuel Gompers, president of the American Federation of Labor, in his first address before the National Civil Federation after his return to America.

"All of you who know me or know my attitude in regard to labor conditions know my absolute opposition to Bolshievism in theory and to Bolshievism in fact. In fact, if it were put into operation, or could be put into operation, it would mean the decadence or perversion of the civilization of our time. To me the story of the desperate Samson who pulled the Temple down on his head, is an example of what is meant by Bolshievism. I am not willing that all of the genius of past ages should be flung to the winds."

The veteran labor leader was right. In our efforts at reform, we should aim to be constructive, not destructive. It is easy to pull down and hard to build up. Bolshievism is that kind of reform which preaches destruction for destruction's sake.
