Epidemic Puzzles Doctors in Britain

Canadian Press Despatch.
LONDON, May 10.—The doctors are unable to explain the appearance of an epidemic of sleeping sickness in Great Britain which is reported to have attacked several hundreds of persons throughout the country.

The epidemic thus far has no fatality. The doctors are inclined to believe that the epidemic is either a mild form or a variation of the disease. One victim in Lord Milner, and another the Lord Provost of Edinburgh.

Lord Milner's condition today was serious.

WELCOME SIGN TO GREET TOURISTS

Rotary Board to be Illuminated by Municipality—Rockwood Pavilion Begun.

Two interesting announcements were made at today's Rotary Club luncheon. The first was that the large welcome sign for tourists, erected on the Manawagonish Road by the club, is to be lighted at night by the municipality. The other was that work has been begun on the erection of the new pavilion at Rockwood playground.

With regard to the welcome sign the committee was authorized to deal with the matter of having other signs removed, which Rotarian J. King Kelley said could be done.

SHRINERS HOSPITAL.
H. Mont Jones reported on a visit to the Shriners' Hospital for children in Montreal, which contains 44 children and has room for half a dozen more. He saw three from this province. The hospital was the last word in institutional care of its kind, so far as equipment was concerned, and the Shriners and those in charge were very glad to have the co-operation of the Rotary Club.

Otty J. Fraser reported a visit to the club in Campbellton, which desires to have representatives of the Saint John Rotary Club present when it receives its charter in June.

Palmer Kinsman, the new president, was in the chair today. New club committees were appointed, and the members were directed by some handsome gifts and take in which A. L. Foster, Dr. Spangler, E. J. START CAMPAIGN TO IMPROVE HOMES

Pennsylvania Association Secretary Tells of Bad Conditions.

PHILADELPHIA, May 11.—An intensive campaign will be undertaken by the Pennsylvania Housing and Town Planning Association to improve the homes and living conditions in small cities and towns. Benjamin Ritter, field secretary of the organization, told members at their annual meeting in the City Club. He deplored the fact that the Legislature had failed to pass a bill providing for state housing control. "It will surprise many of you, no doubt," he said, "when I tell you there are tenements in the aristocratic and wealthy Main Line community. These are as bad as anywhere in the State. They extend as far as Wayne. In one house in Wayne we found 16 families living, with no provision made for the disposal of garbage and without sewers for drains."

Gasoline Substitute Is Made From Coal

United Press.
LONDON, May 11.—A substitute for gasoline may be distilled from ordinary coal in the near future if researches now being made at Birmingham University fulfill the confident expectations of those engaged in the work. A quantity of coal was converted into an oil-like liquid which is said to have all the essential properties of gasoline.
