

12th.—The course shall commence on or about the 25th of October in each year, and with the exception of a vacation at Christmas, shall continue for the six months following.

13th.—All students, except graduates in arts of recognized universities, are required, by Provincial law, to submit to the matriculation examination, the commencement of their medical studies being counted from that date.

### MATRICULATION EXAMINATION.

The Matriculation Examination demanded by this College is the same as that of the Provincial Medical Board, and the following extracts from the "Nova Scotia Medical Act," are published for the information of students:—

"7. Hereafter no person shall begin or enter upon the study of Physic, Surgery, or Midwifery, for the purpose of qualifying himself to practice the same in this Province, unless he shall have obtained from the Provincial Medical Board, a certificate showing that he has satisfactorily passed a Matriculation or Preliminary Examination in the subjects specified in Schedule B of this Act.

"8. No candidate shall be admitted to such Matriculation or Preliminary Examination, unless he shall have at least fourteen days previous to such examination, given notice to the Registrar\* of the Provincial Medical Board of his intention to present himself for such examination, and transmitted to the Registrar a certificate shewing that he has completed his sixteenth year; and shall, before the examination, have paid a fee of ten dollars to the Registrar."

In order to pass candidate must make fifty per cent of marks in each subject.

If fifty per cent is made in all subjects except one, he may present himself in that subject alone at time of next examination, provided he has made twenty five per cent in it.

If he fail to pass in the subject the second time he must then come up again in all subjects.
