WILL REORGANIZE.

The firm of Scovill Bros. & Co., proprietors of Oak Hall, have decided to reorganize their business into a joint stock company, taking into the firm several of their employees, who have been in their employ for a number of years, in this way rewarding them for faithful service, and increasing their responsibilities. The business has grown to such large proportions that the heads of the firm have found it an impossibility to give their personal attention to many details of the business, and have adopted this method of solving the problem. They announce elsewhere a great reorganization sale, at which their \$50,000 stock will be sold at reduced prices. Oak Hall is known far and wide in this and adjoining provinces as a reliable firm, and their enterprise has been richly rewarded. Undoubtedly their success will be continued under the new arrangement, which goes into force on the first of February.

**TERRIBLE TRAGEDY IN P. E. I.**  
CHARLOTTETOWN, P. E. I., Nov. 26.—A terrible fatality occurred at the head of Toronto, near Murray Harbor, on Wednesday last, the victim being a six year old girl, daughter of Isaac Bull. She and her two little brothers were playing in a hay rack, which was closed in on all sides and used instead of a barn. One of the boys and the girl climbed to the top, the other boy sat below. The boy escaped from the top with his hair burned off and one arm badly burned, but the little girl was burned to a crisp, only the head remaining. The frightened boys ran to the woods and the frantic father had to go and hunt for them, fearing they would perish with cold. The mother died about two years ago.

**OXFORD PROFESSORS**  
DEFEND STUDENTS' MORALS

LONDON, Nov. 26.—The Bishop of London's denunciation of the drinking habits of Oxford undergraduates does not meet with much sympathy from the dons of that university. It is admitted that there is a certain amount of excessive drinking among the students, but it is denied that the habit is particularly dangerous or shows any tendency to increase.  
Interviewed, the Dean of Corpus Christi college, said that after twenty years of university life he could say that he had never known of any case of systematic drunkenness being developed as the outcome of an Oxford education.  
"My own opinion is that the general situation is distinctly better than it was fifteen years ago," he added.  
Another Don who was dean of his college a few years ago thought that "it was ridiculous to expect young men with plenty of animal spirits to act like the well behaved young ladies of a convent."  
This don declared that at present drinking was on the wane at Oxford and added that the general morals of the students would compare favorably with those of the London medical students.  
"I would suggest," he said, "that the bishop be challenged to produce the evidence on which he made his sweeping statements."  
The tradesman said his testimony in favor of the view that drinking is declining. "Fifteen years ago," said Mr. Forrest, the leading wine dealer of the town, "we used to have gentlemen with terminal accounts of \$100 to \$200. Now we are lucky if we have accounts running to \$50."  
The November term of the circuit court will open on Tuesday morning at eleven o'clock with Justice Hanington presiding. The first case to come up for trial will be that of Fred Northrup, charged with the manslaughter of Charles O'Regan.

## RECENT DEATHS.

Much regret will be felt by a large circle of relatives and friends over the death of Mrs. Frank J. Mahon, news of which was received by Wm. Carleton by telegraph on Friday evening. Mrs. Mahon had been ill a comparatively short time, and her death was due to pneumonia. Her mother, who has been living at Chatham, was with her during the past week. Mrs. Mahon was daughter of Mrs. Mary Hogan, and her husband, who survives her with two children, is manager of the C. P. R. telegraph office in Quebec. A brother, William L., at Chatham, as well as her mother, also survive. Interment will be in St. John. The remains will be brought here on Tuesday, and the funeral will take place on Wednesday morning from Mr. Carleton's City road.

The death of Andrew Bradley, a well known machinist, occurred Saturday morning at his home on Charles street. Deceased was a brother of the firm of block makers, and leaves a wife, five daughters and three sons. Mr. Bradley was seventy-two years of age and had been ill for some five months.

John Joseph Carvill, son of the late George and Margaret Lucinda Carvill, died on Saturday, Nov. 26th, of pneumonia. He leaves a wife, and three children. I. C. R. city ticket agent, and Francis L. of New York, and three sisters, Mrs. Warren C. Whitmore, of Montreal; Madam Catherine Teresa, of Montreal; and Madam Margaret Agnes Carvill of London, Ont., both members of the Sacred Heart Order. Funeral will take place this afternoon from the residence of Mrs. J. Sweeney, 19 Elliott Row, at 2.30 o'clock.

The death occurred at his residence, 22 St. George street, Carleton, yesterday morning, of Charles J. Morrison, who was widely known and respected in the community. The deceased was 42 years of age and was the eldest son of Agnes and the late Hugh Morrison. He leaves a wife, who is a daughter of R. Addison Byles of the west side, and three children. The deceased was a school teacher by profession, and for many years taught in the Tower school, Lancaster. He went into the service of the C. P. R., being employed at the West St. John office until a few months ago, when his health, which had been precarious for years, wholly failed. Besides his mother and wife, he leaves two brothers, Dr. A. Sterling Morrison, of Montreal, and Fred K., of the C. P. R. winter office staff, also two sisters, Mrs. John Bailie and Mrs. Walter Lowe.

Deceased was an elder in Carleton Presbyterian church, a P. W. P. of the Sons of Temperance, in which order he had been very active; a past master of True Blue L. O. L., and a member of Carleton Union Lodge, F. and A. M., and of the Order of Foresters.

The death of J. Boyd Littlehale, deputy registrar of deeds, occurred last evening about half-past six. The cause was tubercular pleurisy, with which the deceased was ill for some days. Mr. Littlehale, who was about 35 years of age and unmarried, resided at 254 Princess street with his two sisters, Helen P. and Lizzie. His death will cause much regret, as he had a large circle of friends.

Jeremiah Harrington, of Main street, received yesterday the news that his son, Jeremiah, had died in Durango, Col. Deceased was 23 years of age, unmarried, and had been residing in the west for about five years. He followed the plumbing trade in this city, working

ing for some time with George Blake. He followed the same occupation in the west. His illness was of some duration, but the intelligence that he had passed away was a painful shock. His parents survive, also five brothers and three sisters. The brothers are William P., tailor of this city, Robert and Leo, also of St. John; Michael, of Boston, and Matthew of Kansas City, who is manager of an electric light plant. The sisters are Mrs. Martin Dolan, of Golden Grove; Mrs. T. L. Murphy, of this city, and Miss Margaret, residing at home. Many friends in St. John will sincerely regret the young man's death.

The death of Mrs. Ada McGowan took place yesterday at her residence, 212 Sydney street, after a lingering illness. Mrs. McGowan, who was forty-two years of age, was the wife of Thomas McGowan, and daughter of John and the late Catherine Montague. She leaves, besides her husband and father, one sister, Fannie, of this city; two brothers, Norman, of this city, and William of Washington; and one daughter and three sons. The funeral will take place tomorrow at 2.30 p. m.

**ALL YE NEEDED.**  
There is more real oxygen in a liquid form in the "Solution of Ozone (the coupon kind)" than in any other preparation of a similar nature. As a prompt cure in the killing of all inside germs of throat, lungs, stomach or bowels it has no equal when coupled with "Celery King," the famous laxative. The stringent Ozone needed a tonic of this nature to procure the best results was so apparent that the Public Drug Co., of Bridgeport, Ont., offer through your druggist a free package of "Celery King" with every fifty cent or one dollar bottle of "Solution of Ozone (the coupon kind)."  
If you buy a few inches of advertising space in a newspaper, and then set back in your chair, pay no more attention to it, and expect trade to flow in your door as the result of your ad, you will certainly be fooled.—Ottumwa, Ia. Courier.
