GIRL STRUCK WITH A STONE AND BADLY HURT

A little girl, seven or eight years old, was struck on the head with a stone on Main street this morning and received a bad wound.

The accident occurred about noon. Some boys were tormenting a Jew and started to throw stones at him. One of the stones flew wide and struck the little girl on the forehead, making a very bad cut over the left eye. She was carried into Christie's Pharmacy and Dr. Case was called to dress the wound. He found it necessary to put several stitches in the cut. After being made as comfortably as possible by the doctor the youngster was taken to her home.

The boy who threw the stone got away and was not held to account for his action, which narrowly escaped resulting in the child's death.

WESTMORLAND COURT FINISHES BUSINESS

DORCHESTER, Sept. 10.—The Circuit Court finished business this morning and Mr. Justice Gregory returned to Fredericton this afternoon.

The case of Andy J. Gorman against A. B. Copp occupied the court Tuesday and Wednesday. Judgment was reserved with leave to either side to move the court to vary the verdict. This case arose out of an accommodation note given by J. P. McFarlane Company which failed last fall. The plaintiff had loaned the company money on the note and other securities. When a settlement of its affairs was made by the liquidators thirty cents on the dollar was paid and the defendant in the suit claimed to have the right to credit the defendant should be realized before calling upon him to make good on the accommodation note. A. W. Bennett & R. Trites for plaintiff; Priest for defendant.

Thos. McGarry, in whose case the jury disagreed, was allowed to go on his own recognizance to appear in January.
