SPOTTERS IN BAD ODOR AT MONCTON, TOO

Aldermen Dislike Them

LIVELY DISCUSSION

D. I. Welch, Prominent Barrister, is at Death's Door

MONCTON, Feb. 5.—The City Council tonight had a warm discussion over the payment of spotters employed in connection with the enforcement of the Scott Act. The matter came up on recommendation of the finance committee to pay one William Jones, a Scott Act informer, forty dollars for convictions obtained against the Brunswick and Windsor Hotel proprietors. The charge was five dollars a case.

Forbes Objects

Ald. Forbes objected in strong terms to paying spotters and pimps in the enforcement of the Scott Act, and pointed to the Fredericton City Council, magistrate and ministers as taking just such a stand. He was supported by Ald. Boudreau, who said that two of the Scott Act informers were behind the bars and a third had skipped the country.

Ald. Crandall, chairman of the police committee, defended the payment of the bill on the grounds that it seemed necessary to employ detectives to get information concerning the C. T. A. Ald. Rely said he would serve notice on the chairman of police that he would stand for paying such bills in the future. He would only support the payment this time because the chief of police might have become personally liable. In future he would only vote for paying legitimate witness fees.

Six to Two

The council voted six to two to pay Jones' bill. Jones is now in Dorchester jail, having been sentenced to three months for a Scott Act violation himself.

Moncton's assessment this year will be in excess of one hundred thousand dollars, about thirteen thousand dollars more than last year.

The City Council tonight made a move towards securing legislation to increase the amount of income exemption from \$40 to \$50.

D. I. Welch, a well known barrister, who has been ill for the past two weeks, is in a critical condition and his life is despaired of. Dr. Bent, Halifax, was here today in consultation with Dr. Ferguson. The patient tonight is very low.

City Clerk Macos tonight was granted a month's leave of absence on account of ill health.

HOCKEY MATCH DOWN BY LOCALS

Defeat Marysville Team

SCORE 7 TO 3

Game Abounds in Rough Work—Several Players Penalized

The All-St. John hockey septette proved victorious over the fast Marysville team in the Queens Rink last evening by a score of seven to three. The game at times was lively and some good combination was shown. There was also some rough work on the part of both teams, the visitors being especially guilty.

The locals surprised the large crowd present when they outlasted the Marysville boys.

It was about 8:20 o'clock when the teams lined up for the match and Manager Fred Tuttle blew the whistle for play to begin.

The teams lined up as follows:

All-St. John. Goal. Marysville. Right Wing. Fullerton. Left Wing. Brogan. Cover Point. Phillips. Robertson. Kennedy. Stewart. Clawson. Robinson. McAvity. Hovey. Paterson (Capt.). Galloway.

After the face-off the locals carried the puck to the Marysville goal territory and after one minute of play, Paterson netted the first goal.

The half ended with an even score, each team having three goals.

In the second half the locals had it pretty well their own way. At the first of the half the St. John septette started with a rush and netted a goal after two minutes of play.

The rough play at times was very noticeable. Stewart of the visitors was perhaps the chief offender on the ice. He disputed the decisions of the referee and tried to play rough throughout.

For the locals Kennedy, Clawson and Paterson did some splendid combination work several times during the match. Both goal tenders stopped all shots. Paterson secured four of the locals' goals and Kennedy three. McAvity showed a tendency to refrain from tackling his man.

Stewart, Robinson and Hovey were strong at combination work.

Captains Galloway and Paterson did some splendid combination work several times during the match. Both goal tenders stopped all shots. Paterson secured four of the locals' goals and Kennedy three. McAvity showed a tendency to refrain from tackling his man.

FEW JUDGMENTS

Scott Act Spotters Scored by Counsel—Many Motions Made

FREDERICTON, Feb. 5.—The Supreme Court this afternoon had the case of R. Z. Walker, I. C. R. station master, recently fined for warehousing liquor granted a rule nisi to defendants' counsel, returnable at the Easter term.

The Carleton election case was argued return of rule, and it is expected that judgment will be delivered next Friday to which date court adjourned.

The following common motions were made:

Ex parte Melanson, Barry, K. C., move for rule nisi to quash conviction made by Police Magistrate Kay of Moncton for keeping liquor for sale, contrary to Canada Temperance Act.

Ex parte Bourque, Barry, K. C., move for rule nisi to quash conviction made by Police Magistrate Kay for selling liquor, contrary to Canada Temperance Act.

Absolutely No Evidence

He claimed that there was absolutely no evidence to support the conviction and intimated that the defendant had been imposed upon by a spotter. Counsel granted rule returnable Easter term.

Ex parte R. Z. Walker, Hughes moved for rule nisi to quash conviction made by Police Magistrate Marsh against defendant for warehousing for delivery contrary to Canada Temperance Act. He contended that the police magistrate had no jurisdiction to make conviction on the grounds that the Canada Temperance Act did not apply to the inter-colonial, which is owned and incorporated by the crown. He contended that proving liquor seized was for an unlawful purpose which on the prosecution side, and in absence of any such evidence the magistrate had no jurisdiction to convict. Other ground taken by defense was that defendant had no knowledge of the liquor being in his possession. He contended that the storing was done by the railway and not by the defendant. Counsel quoted authorities and argued at some length to show that the crown was not liable in such cases unless it was specifically mentioned in the statutes. The court granted a rule returnable at the Easter term.

In the case of Ontario, petitioner, and Upham, respondent, known as the Carleton election case, Connell, K. C., showed cause against the rule nisi to set aside an order of judgment, McLeod fixing trial of petition for February 11th. Ground for application was that there had been insufficient publication of the petition.

He argued that requirements of law had been carried out and that there was sufficient notice of publication. There was no daily newspaper published in Carleton County, but notice had been published in Woodstock Press and had also been posted by the sheriff.

T. Jones, K. C., for respondent, urged that the petition should be dismissed on the ground that the law relating had not been carried out. He cited numerous authorities in support of his contention.

In ex parte Stavert, W. D. Carter showed cause against the order for mandamus compelling upon the municipality of Kent to hold an election in the parish of Harcourt under the liquor license act. Philney, K. C., supported the order. Counsel considered the case of Henry Brathwaite and W. J. Duncan, lately convicted by Magistrate Connors of Chatham for game law violations were taken up on review before Judge Wilson in chambers this afternoon.

Brathwaite was fined \$100 with \$50 costs, and Duncan \$50 and \$5 costs. A. J. Gregory, K. C., moved that conviction against Brathwaite be quashed on the ground that there was no evidence that he hunted illegally, also that the fine imposed and costs were excessive. In the case of Duncan, he contended that there was no evidence whatever to sustain the conviction. Powell and Lawlor, K. C., showed cause against quashing conviction. His honor will deliver judgment on Monday, February 15th.

THE FLYING FROG.

Among the amphibians, not the least remarkable of Borneo, is Wallace's flying frog. Rhinophorus Paralis. This frog is of striking appearance, being brilliantly colored, with varying admixtures of red and yellow. Its flight is effected by means of the much-extended webs between the digits of its hands and feet. Only one fresh specimen has been seen by Mr. Hewitt, and this came from Sibiu. Another rare form is Colopoglossus Brooki—its specific name in honor of the discoverer, Mr. C. J. Brooks. It is a round creature, larger than our common frog, and has very curious and distinctive markings on the back. According to Mr. Boulenger, Borneo can boast of producing the longest-legged frog (Rana Jerboa), and the longest-legged toad (Bufo Jerboa) in the world!

NICKEL TODAY AND MONDAY.

Great show in store for the children at the Nickel this afternoon and for the grown-ups in the evening. It is the farewell matinee for Miss Earle, the harpist; Miss Forrest, soprano, and St. John's favorite baritone, DeWitt Cairns. In the evening the same excellent musical programme. Yesterday thousands were pleased beyond words with the Highland scenery, which included Scotland's most renowned lakes, sea, scenes, castles, sheep, and village views.

There is general delight at the return to this city of Holmes and Buchanan in entirely new music and with elaborate orchestral accompaniments, not to mention stage settings and their singing is sure to capture the town as never before. Programme in Monday's paper.

A NIGHT OF COMEDY AT THE UNIQUE.

The Saturday night crowd at the picture houses seem always anxious for a good hearty laugh. The week's work in done and business cares are forgotten for a few hours at least. There will be lots of chances for side splitting laughter at the Unique this afternoon and evening as the programme is mostly of a comedy character. Don't miss the latest Lubin laugh provoker, "Turning Over a New Leaf," a nine hundred foot reel. Miss Brower and Mr. Dick will sing the same selections which met with so much favor the last two days. Watch for a splendid feature programme Monday.

RAFFERTY'S RAFFLE A HIT.

One of the best comedy pictures ever introduced by the Cameraphone was presented at the Opera House last night, entitled Rafferty's Raffle. This raffle was presented in one act, with a cast of twenty people. The scene is Rafferty's cafe the day before Thanksgiving. Mollie Gernie in the song folios of 1903 was excellent, her records being exceedingly clear and well distinctly understood. Lacey and Devlin in Love's Alphabet have a very pretty number. The ordinary moving picture were also much enjoyed. For Monday and Tuesday of next week the Cameraphone will introduce their greatest feature, Mlle. Dase America's most famous dancer. This is the biggest and most expensive attraction ever secured by the Cameraphone. Her terpsichorean creations are beyond description.

This wonderful little lady is in a class by herself, her every graceful move being distinctly original and beyond all comparison. Let the children see and hear the "Awakening of Toys" at today's matinee.

THE GREAT FOREST AND COMPANY AT THE PRINCESS.

NEXT WEEK.

For next week the management of the Princess have booked a high class levitation act, The Great Forest and Company. This act is one of the finest ever offered to a St. John audience. It comes to this city after an extended tour of the largest cities in the United States and Canada. It is one of the highest paid acts ever shown here. There is also a troop of lighermin and acrobats. This, together with a first class programme of pictures and a new illustrated song, makes the finest programme ever offered in St. John. Don't fail to see these acts.

'STARS' GREAT SHOW FOR TONIGHT.

North End, Carleton and Fairville people should not miss the magnificent show running at the Star Theatre in Union Hall, tonight for it is one of the best in a long while. The pictures are the highest paid acts ever shown here. There is also a troop of lighermin and acrobats. This, together with a first class programme of pictures and a new illustrated song, makes the finest programme ever offered in St. John. Don't fail to see these acts.

FIEND GETS HIS DESERTS.

Promoter of "White Slave" Traffic Sent to the Penitentiary.

CHICAGO, Feb. 5.—A pitiful story of a beautiful girl snatched from the streets of Paris and lured to the United States today resulted in the conviction of Henry Lair, charged by the government with promoting the "white slave" traffic in the United States. Lair was sentenced by Judge Landis to serve two years in the government prison at Leavenworth, Kansas, and to pay \$2,500 fine. The next case to be tried is that of Lucien d'Arville, Lair's supposed wife, who was indicted on charges of importing French girls to this country in violation of the immigration laws.

Marie Peury, nineteen years old, was the chief witness for the govern-
