A CHILD'S LADDER

HY M. G. F BY M. G. R. A little boy to his maxima said, As she was putting him to bed, "If I should pile up barrels high Until they reached clear to the sky, And then, door m wame, if soggithm Should qu these barrels clubb, Would God from Heaven reach dowr And take me into the preimised hand 1

At such a thong't the mother smiled But goe'ty said, " Ahi no my child" God tails are tikely faith said. Sive That we must enter heaven above; By lows to fill, and faith a shonn Le Jesus Christ IIIs only son, Whadian to save as from our sig Andwake and its osavier in.

⁴¹ Jesus has told us o'ter and o'ter ⁴¹ Jesus has told us o'ter and o'ter That Ife the way is and the door; He's the Good Shepherd, wa are Hill H' we give to Him our hearts to keep But If we try to climb to heaven In other ways 1 an He has given. But thives and robbers we shall be, And na've is bliss His face shall see

So learn, my boy, the story old, Of the one Shepherd, the one f Of the one Ellepherd, the o How the Shepherd Bis life Wearing mekkly the thorm Listen at once and hear His It is a wise and happy shoi 'Twill lead you to the mans And this 3004 Shepherd wi rd will be the SIGHTS AND SOUNDS IN INDIA

For Boys and Girls in Canada.

Dear Girls and Boys :

"My boast is not that I deduce my birth "From loise enthroned and rulers of the earth; "But higher far my proud pretensions rise,

Shoolo be reported: none are too insignificant. Some of the best work is done in the small schools. At the Pitts-burgh Convention less than 300 schools were reported from Nova Scotis. That careless official report injured the good name of Nova Scotis. That careless official report injured the good name of Nova Scotis. That careless official report injured the good name of Nova Scotis. That careless official report injured the good name of Nova Scotis. That careless official report injured the good name of Nova Scotis. That careless official report injured the good name of Nova Scotis. That careless official report injured the good name of Nova Scotis. That careless official report injured the good name of Nova Scotis. That careless official report injured the good name of Nova Scotis. That careless official report injured the good name of Nova Scotis more than we, to this our standing in the S. S. world was put level of Londinama, Oklahoma, New Mezico, and Nevada ; - whereas we now stand, and ought to have stood then, not all gives on Tarenty fields on the S. Stid not. Scid nove reports of S. S. work to the last Associations : and I have reason to believe and do balives that quite a number of the S. S. reports from churches constains inforcered figures and blanks in important columns. Wherever you see a 0 or a 5 as the unit figures in a report you card, in three quarter the cases set that number as a just on the part of these who made it up - yet an estimate is generally near the struth, and is far better schools. This is somewist beyond my estimate, but I may be wrong. I balives if all the Sanday Schools in N. S. Y. B. and P. E. Laiand were noved and reported is sogetset would show that for our propulsion theses marktime provinces are among the most advanced estates of Caristendom. It behooves all denominations the sole
