Boxer Killed In Maine

Varsity vs. Tigers Today

DUNNING DIES AFTER KNOCKOUT

Well-Known Maine Boxer Passed Away Yesterday Without Regaining Consciousness After Bout.

Bangor, Me., Nov. 25.—Billy Dunning, the heavyweight pugilist, who was knocked out by Jack Leon in the fifth round of a bout in Presque Isle Thursday night, died at two o'clock this afternoon, in the office of a physician in that town, never having regained consciousness.

Corner George H. Meers, of Ashland, Medical Examiner S. W. Boone, Sheriff Thurlow and others will hold an autopsy Saturday morning and the case will be thoroughly investigated. It is said that Dunning was in no condition to fight and that the match should have been called off.

Dunning has been a familiar figure in Maine boxing circles for some years. He came from Caribou and has lived at various times in Millinocket and Portland, in which later city he leaves a family.

Portland, Me., Nov. 25.—Mrs. Wm. Dunning, wife of "Billy" Dunning, a prize fighter well known in Maine, received a telegram today stating that her husband had died as a result of injuries received in a fight with Jack Leon, at Presque Isle, Thursday night. No particulars were given. Dunning had been making his home at Millinocket. He once fought Jack Johnson on an occasion of the present champion's visit to Maine five years ago.

CIRCLE GLOBE ON STILTS

Two German Acrobats Start from New York on Long Journey for a Wager of \$5,000.

New York, N. Y., Nov. 25.—For a wager of \$5,000, two German acrobats will attempt to circle the globe on stilts. They obtained a promise of police protection from Commissioner Croppsey today on the first leg of their journey through the crowded streets from city hall to the Jersey City ferry and from there they will make their way to Philadelphia.

The young men are Albert Marder and Hans Hoeledamp, till recently employed as stewards and the purse they hope to win was raised by the steamship stowaways Versis of Hamburg.

"We are expert stilt walkers," they said today. "We expect to walk eleven hours a day and we can travel five and a half miles an hour. We are not allowed to take any money with us and count on making a living by selling picture cards. We will work our passage on the ocean laps of the journey."

Midget Player Kicks Eleven Into State Championship

NORTH DIVISION ELEVEN AND CAPT. GRESS.

Milwaukee, Wis., Nov. 25.—This has been a banner year for gridiron kickers, and victory via the aerial route has been frequent. Coaches are paying special attention to players who give promise as toe artists.

With the ball inside the 45 yard line it is the custom to kick and the man who can boot the ball is not undervalued as is proven by the games won and lost this fall by a field goal.

The success of Illinois can be attributed to Stelzer's toe in many cases. College kickers are in a class by themselves, but it remained for the smallest man in the high schools of Wisconsin to demonstrate the real value of a kicker. This little fellow is Capt. Roy Gress, of the North Division high school, Milwaukee.

He has kicked a mediocre team into the championship. Four times he won the games of 5-0 and in the struggle for the city championship he tied the score after his opponents had

at least one field goal in every game. One peculiar feature in connection with the extraordinary kicking of this youngster is that in practice he does not kick at all. He has practiced an entire afternoon kicking only a few goals, but in a game, with his opponents breaking through, and everything depending upon the accuracy of his toe, he has no trouble driving the ball between the uprights.

His fame as a drop kicker is so well known in Milwaukee that when North Division brings the ball within the 40 yard line bets are in order that his team will score.

Although Gress is a stocky boy of 145 pounds, he looks like a pigmy among his teammates, being but 5 feet 4 inches in height. Besides achieving fame on the gridiron, Gress is a baseball player of ability and holds the junior amateur skating championship of Wisconsin.

DE PALMA HURT TWICE AND WON TWO EVENTS

New York, N. Y., Nov. 24.—Ralph De Palma established a new track record and had two accidents today in the Thanksgiving day automobile race meet at Guttenberg, N. J. In the 20 mile free-for-all the steering wheel broke and his car shot across the track, over a low fence and into a ditch, but did not upset and De Palma was uninjured. Just before he started in the 10 mile free-for-all a rear tire blew out. As he turned his head to look back the tire struck his face, cutting a gash in it. W. Rouse also met with an accident in the 15 mile race. The front axle broke and the car plunged into the field, but he kept it right side up and was not hurt.

The 10 mile free-for-all was won by Ralph De Palma, Time 10m. 16s. a record for the track.

In the 50 mile free-for-all D. Tettlers won, Time 23m.

Tettlers also won the 5 mile stock chassis, for cars of 300 to 600 inches piston displacement, Time 5m. 32s.

In the 15 mile stock chassis event V. Williams won in 20m. 24s.

ARMY PLAYS NAVY TODAY

Philadelphia, Nov. 25.—With the arrival of the football squads from both West Point and Annapolis here today all is in readiness for the struggle between the army and the navy tomorrow on the gridiron at Franklin Field.

The cadets and midshipmen who will "root" for their teams, and the officials from Washington, will not reach this city till tomorrow, but the lobbies of the big hotels were filled tonight with distinguished officers of both branches of the service and prominent people from all parts of the country who are here to witness the game. President Taft will be unable to attend, and Secretary Dickinson cannot be present because of the death of his son. Vice-president Sherman and his wife are expected and many other high officials will be here.

Both teams had their final practice this afternoon on Franklin Field behind closed gates. First the navy players were given a run around the track and then put through a stiff drill in the various formations which they have been practicing. The army squad practiced signals for an hour after the midshipmen had left the gridiron.

PICK HAMILTON AS CHAMPIONS

Match for Canadian Championship to be Played Today—Lots of Varsity Money at 2-1 Odds.

Ottawa, Nov. 25.—Dismissing the Dominion rugby final which will be played at Hamilton, tomorrow, Jack Williams, the Ottawa centre half believes there will be a lot of people fooled after the game is over. Jack has a distinct hankering for Tigers, and were he speculating on the result would surely cast his roll on the boys from Jungletown.

Williams has played both inter-collegiate and big four football for some years, figured in the final last year against Varsity, and knows Tigers' ability about as well as anyone connected with football.

"There is a feeling in Ottawa, Varsity will walk away with the game, but I can't see it," he said the other night. "They beat us last year, and beat us badly, but we played the worst football that day we played all season. Had we put up the goods we did against Tigers the previous Saturday, there would have been a different story to relate. If those who are backing Varsity go by the strength of their showing against Ottawa last year, they are going to be left."

But Williams isn't the only one to pick Tigers. Nick Bawlf, the former back field star on the Ottawa College team, calls Tigers. It is well known Rev. Father Stanton, who has seen all the inter-collegiate and big four teams perform this season, looked upon Tigers as the prospective champions. He does not count Varsity as being up to last year's strength, and what's more does not believe in the blue and white are the team McGill is.

M'DONALD HURT; LOSES MATCH WITH ANDERSON

Each Man Gets Fall in Great Match, but Cape Bretoner is Injured and Unable to Continue.

Moncton, Nov. 25.—Over 1,000 people saw the wrestling match at the Grand Opera House tonight, between Sam Anderson, of Boston, the world's middleweight champion, and Dan McDonald, of Cape Breton, for the belt and \$500 a side.

It was the greatest exhibition of the wrestling game ever witnessed in Moncton. McDonald got the first fall in 37 minutes. Anderson threw McDonald so hard that he injured the latter's arm and he was unable to continue the match. The referee accordingly gave the decision to Anderson. Anderson displayed most science and McDonald only saved himself several times by his greater strength.

KILBANE WINS AT PRAYER MEETING

Akron, Ohio, Nov. 25.—Johnny Kilbane, of Cleveland, had a little the better of Benny Kauffman, of Philadelphia, in a ten round bout between the two lightweights here last night. Kilbane's showing is believed to assure him a meeting with Abe Attell for the championship. The proceedings were opened with prayer by Rev. Dr. Belderwels, an evangelist, who was introduced by Mayor W. T. Sawyer.

CAN IMPORT PURE BRED STOCK ONLY

Washington, D. C., Nov. 25.—Animals imported for breeding purposes by citizens of the United States on and after Jan. 1, 1911, must be accompanied by certificates of the bureau of animal industry that the animals are pure bred, of a recognized breed and duly registered in the foreign book of record for that established breed.

The secretary of agriculture has revised regulations on the subject in order to enforce more thoroughly the provisions of the tariff law instructing him to "determine and certify to the secretary of the treasury what are recognized breeds and pure bred animals," as a basis on which customs officers may determine what animals may be passed through the customs free of duty for breeding purposes.

SEN. BAILEY BUYS HEAVILY

New York, N. Y., Nov. 25.—Senator W. Bailey, of Texas, invested \$12,500 in stallions and brood mares from Mr. Shults' consignment at the New England sale of horses on Wednesday. He was the contending bidder for the 2 year old colt Morgan Axworthy, struck off for \$4,100 to F. H. Jackson, of Naberth, Pa., who said that he was acting for a friend.

The latter, however, did not want the horse, whereupon Senator Bailey took the colt at his last bid of \$4,000. Meanwhile, however, he had purchased Prince McKinney, another of the young stallions, thinking that he had lost Morgan Axworthy. Mr. Shults wanted to repurchase the son of McKinney, but since he never buys or sells horses except at auction, he offered to give Senator Bailey \$2,000 for a box of cigars if he would throw in the stallion.

Senator Bailey generously replied that he would let Mr. Shults have the cigars for \$2,000 with Prince McKinney included and so the deal was closed.

The total of 137 head sold yesterday was \$72,260 an average of \$527. For 200 horses sold since the auction opened on Monday, the receipts were \$173,425, an average of \$363.
