A CATCHER WHO WOULD BE A BOXER

CHARLIE SCHMIDT.

This husky backstop of the Detroit American league team may enter the ring and seek honors with fighters. Schmidt, who gained fame by tanning Ty Cobb when that youngster was breaking into the league, has passed a good trout and may follow the game for a livelihood and pass up baseball.

P. E. ISLAND TEAM WON STARR CUP

New Glasgow, N. S., March 16.--In the last game of the amateur Starr trophy series, which took place tonight, the Victorias of Charlottetown, champions of Prince Edward Island, defeated St. Joseph's of North Sydney, champions of Cape Breton, by a score of 3 to 3. The Cape Breton players put up a much better brand of hockey than last night when they were decisively defeated by a score of 12 to 2. By winning both games with a total score of 20 goals to 5, the Victorias won the amateur Starr trophy, representing the championship of the Maritime Provinces. The Bamblers of Amherst, amateur champions of Nova Scotia, previously made dates with the Victorias for a series of games to be played in Halifax on Tuesday and Wednesday nights, but the Bamblers broke the dates and went to Boston. Consequently the trustees of the Starr trophy shut them out of the play off. The challengers for the Starr trophy will have to try conclusions with the Victorias in Charlottetown next year.

FAST HOCKEY GAME ON THE NORTH SHORE

From a Special Correspondent. Dalhousie, March 16.--Dalhousie hockeyists have won another good match. At New Carlisle they defeated a strong picked team by a score of 7 to 6, after the best hockey ever seen in the Bay Chaleur district. In defeating New Carlisle the Dalhousie boys are entitled to much credit, for the team is one of the fastest in the Northern part of the province.

The game started a few minutes after 8 p. m. After the disc was faced by H. Delaney and J. Scheyer, the play was very swift for six minutes without any scoring. Till Boudreau made a nice rush but lost to Davidson, he, after quick work, scored the first goal of the evening. New Carlisle 1, Dalhousie 0. Davidson came up the ice and scored. New Carlisle 2, Dalhousie 0. For ten minutes the play was very fast, both teams trying hard to score. Till Ryan after a nice rush passed to Dambiose, who again passed back to Ryan, who scored the first for Dalhousie. New Carlisle 2, Dalhousie 1. One minute after the face off Dambiose got 2 minutes for knee checking Davidson, and the game was stopped for a few minutes. The play started from the face off to the left wing. The accident happened to a New Brunswick boy, but the play started without Boudreau. New Carlisle also put out one man and both teams had six players. After the faceoff Atkinson passed to Robinson who lost to Delaney, he being cross checked by Atkinson and Davidson took the disc and it passed Arsenault, New Carlisle 4, Dalhousie 2. The puck was kept in visitors' territory. Every player of the Quebec contingent having a shot at the visitors' net, but they could not score till Ryan gave an exhibition of his stick handling. "BIG SAM" AND "LITTLE SAM" VANAGANS TO MEET IN NEXT BIG GO

Some Dope on McVey and Langford who Fight Tomorrow Night. McVey Has Advantage in Size, but "Tar Baby" is Expected to Win.

The twenty round battle between Sam Langford and Sam McVey arranged by Hugh D. McIntosh to take place in Paris, France, last Sunday night, was postponed until tomorrow night. It was said that McVey had asked for more time to fit himself for the dangerous Bostonian, and that as McIntosh was anxious to improve the seating capacity of the Cirque du Paris, which he has leased instead of the Hippodrome, McVey's request was granted. But delay will only serve to increase the interest in this battle when the men actually enter the ring. This match is the result of Langford's recent victory over Bill Lang in London. One of the conditions of that fight was that the winner should meet McVey, and it is a fact that McIntosh really believed that Lang would earn that right. McVey was an interested spectator when Lang lost to a convenient foul to the Boston Tar Baby and promptly informed McIntosh that he was ready to go ahead with his part of the agreement. McVey is a California negro, a six-

REMEMBER THESE DAYS?

CAMERON WILL TRY IT AGAIN

Fred A. Cameron, the young runner from Amherst, N. S., who romped in winner of the B. A. Marathon run last year, is back in Boston for a few days and left for his home last night. He came to Boston with the Rambler hockey team from his town, but he is obliged to return without competing in the game at the Arena last night. "You can bet that I am going to enter the race again this year," he said. "I think I can beat the best runner I did last year. More than that I am going to bring a string of young fellows down with me, and I hope that they will show you Boston athletes something new in the distance game. "When I look out on the streets here and see them all cleared and ready for work, I become a little bit toned that my youngsters are going to be behind hand in the matter of road grinding. You know that we still have several feet of snow up in Amherst, and the roads won't be in condition for running for another fortnight, the way things look now. "That doesn't mean that I am not getting out right along for I don't believe in indoor training for distance men, and the boys do their four or five miles every day through the snow, and that will make real road running so much easier for them when they finally do get it. "I am sorry, but I cannot give you the names of any of the runners I will bring with me. You see I can't bring more than 30 men, and there are over 30 who are out every day hoping to be the ones chosen to represent Amherst in the great B. A. race. I really don't know whom I will bring, picked out now, but it would not be fair to announce that yet. "I never felt better in my life, and if I feel as well on April 19 as I do at this moment--well, I promise you that they will have to go some to pass me. "I have one little fellow whom I think is a cracker, and I wish some of you Boston men could have a chance to see him run before the race. If he beats up with the first 10 I admit that I am a mighty poor judge of runners. "Cameron looked the picture of health and the members of the hockey team said that neither he nor any of the 30 runners who were running with him had missed a day on the roads in the last two months, no matter how deep the snow might be, nor how low the mercury. "He was the chief offender and was put off three times for two minutes each, and Heron of the Victorias received two suspensions. Twaddle, Lowther and Black were also put off the ice for Amherst, and Davenport suffered a penalty for the Victorias. The scores: Amherst-Rambler, 3; Victorias 4; Skilton, f. . . . f. AMHERST DEFEATS VICTORIAS

The Amherst Bamblers, hockey champions of the Maritime Provinces, defeated the Victorias in one of the roughest and most exciting contests of the season at the Arena last evening--3 to 2. The result was over in doubt until Black, the second night being, edged the deciding goal two minutes before time was called. Both teams played brilliantly in the first half, and the Amherst forwards displayed a great cleverness in handling the puck and their team play was well developed. Lowther and Twaddle were the offensive points in the attack and time and again carried the puck all the way down the ice. The defence proved well high impregnable, and after Skilton's goal there were very few shots aimed at the Canadian case. The Victorias' forwards were also very fast, and Davenport, Skilton and Marston brought the crowd to its feet by their remarkable individual work. The work of the defence speaks for itself, for play centered down around the Boston goal the greater part of the period and shot after shot was blocked successfully. Four men were put out for infractions of the rules. The contest developed into a slight, and frequent spills. Over a dozen forward passes were called and many men were outside. R. Chisholm

THE CRICKET CLUB PLANS BIG SEASON

The annual meeting of the St. John Cricket Club was held in White's restaurant last evening and was largely attended. The patrons elected were: Bishop Richardson, Hon. J. D. Hazen, Senator J. V. Ellis, Col. Geo. West Jones and Rev. W. O. Raymond. The officers elected were: C. E. MacMichael--President, W. C. Jordan--Vice-President, C. J. Dempster--Secretary, M. M. Jarvis--Treasurer, E. R. It was announced that the club had been in correspondence with outside teams and next season it is expected they will play ten games, taking in teams from Chatham, Newcastle, Moncton, Rothesay and the Wanderers. The club has also been in correspondence with the Canadian Cricket Association and it will be the intention to form a New Brunswick cricket association and the delegates will meet here on April 16th for the purpose of forming the association. When this is done there will be some chance of a member getting on the international team. The cricket ball which was given as a prize by Mr. Gibbard for the player having the best average last year, was not presented, as the club did not have enough games. The prize will be competed for this coming season. After the meeting the members spent a couple of enjoyable hours with vocal and instrumental music.

HAL CHASE TO MANAGE NEW YORKS

Pipe the grin on Hal Chase. Hal was a player when this picture was taken. He is still a player, with the added career of manager tacked onto his shoulders. It will be curious if, after his first season in the American league as boss, he continues to sport so wide a grin. If he does he's even more of a wonder than he is now given credit for. As manager of the New York team the lively Californian has his work cut out for him. Last year his team finished on the heels of the Athletics, a position several others will try to crowd it from this season.
