What in the Picture World Favorites and What They

When is certainly one of the stars on the screen and one who would think she is in a picture with plain clothes that lovely fluffy hair, she is in a picture in the picture world.

HER EXPERIENCE.

Director Sherwood MacDonald is producing a new Gloria Joy feature for Balboa. In a schoolroom scene one of Gloria's boyish admirers shows his interest and affection by throwing a tomato at her. It took her unawares, as they had not told her about it, and the tomato struck the baby star squarely in the face. At home that evening Gloria's mother had tomatoes for dinner and Gloria, observing them, said: "Tomatoes don't look good to me any more since I had that experience over at the studio!"

THE MAN WITHOUT A HOME

There is in the back of the minds of many men and women the idea that an article about to be purchased has some peculiar value when there is attached to it the magic word "imported." Nothing has done more to retard the growth of our own industries than this same idea. It is one that should be combated with every resource at the disposal of the merchants and members of commercial bodies in every community.

We should all of us devote our most strenuous efforts to disabusing the public mind of the idea that that article which is brought from a distance is better or lower priced than that which is produced at home. This spirit having for its object the reformation of the public mind in this particular is of the highest importance to this and every other community.

Our manufacturers do not ask for your support and patronage from sentimental reasons. Their products are recognized as standard—their values are unquestioned.

Buying made at home goods is an evidence of faith in our own people and Boosting Home-Made Goods.

Now let us unite—all of us—in Buying and Boosting Home-Made Goods.

Now let us unite—all of us—in Buying and Boosting Home-Made Goods.

THE ACADIAS REVENGE

THEIR DEFEAT OF LAST WEEK IN 4-INNING GAME

Barrack Square Scene of Battle Royal Last Night—Chestnut Did Good Work on the Mound for Acadias.

The Fairville Giants, flushed with success of their 8-3 victory over the Acadias, at Fairville, on Wednesday last, advanced from their stronghold and attacked the enemy who were found last night strongly entrenched on the Barrack Square. A great battle was staged and the onslaughting Giants were driven back by a score of 3-1 in a game which went three innings.

Chestnut fired the big gun for the Acadias and the Giants were not slow to realize that a counter-attack was useless. Chestnut's offensive was more effectively executed by the ginger action of his supporters, who were on the job all the way through and who were not slow to pick out the weak spots in the enemy's defence.

O'Toole did the heavy work for the Giants. The team showed real class in the second, when the Acadias with but one man out and the bases full were retired with only one score.

The score by innings:
Fairville 1000-1
Acadias 0123-3
