The river is still free from tee, but unless the conditions change it is allable to freeze over within the morning at 8 so close the state of the morning at 8 lower than the state of the morning at 8 lower the state of the morning at 8 colored the positive of the positive of the positive of the morning at 8 colored the positive of the p

is now in New York, and writes that he is going further south before returning home and will probably accept a good position offered him.

On Thursday evening Rev. Father Burke, one of the Paulist fathers conducting a special mission at St. Dunstan's church, preached an impressive temperance sermon. At the close pledge cards were distributed among the congregation, of men only, with the request that they be filled out and returned to Rev. Father Carney at Friday evening's service. As a result 259 cards were handed in. So great is the interest awakened in the temper-

St. George, Nov. 23—Work on the new pulp mill at St. George is going along well. With the first turn of its wheels St. George will see the inception of a flourish-ing industry which will carry prosperity

ing industry which will carry prosperity in its development.

The industry will be operated by the St. George Pulp & Paper Co., a concern composed of United States capitalists, who were attracted to the pretty Charlotte county village by the wonderful water power of the Magaguadavic river.

Almost a year and a half ago James Goodfellow, of Fort Fairfield (N.Y.); E. G. Murphy, of Sandy Hill (N.Y.); and E. W. Murphy, of Albany (N.Y.), had their attention directed to the Magaguadavic as the following officers were elected:—Secretary, Alex. Rogers.

Treasurer, Ilbert Newcomb. Church steward, W. S. Wright. Representative to quarterly Stephen Stevens.

The quarterly board of the Hopew met in annual meeting on Nov. 21 Secretary, Alex. Rogers.

Treasurer, Ilbert Newcomb. Church steward, W. S. Wright. Representative to quarterly Stephen Stevens.

attention directed to the Magaguadavic as a possible location for the manufacture of pulp and paper. The fine mill will be

A company was organized and the necessary property and rights purchased. The purchases were on an extensive scale. From J. Dewar & Sons were secured 50 square miles of woodlands (as a site for the "raw" material), a steam saw mill and wharf privileges. At the first falls they secured the water powers and lands of a number of towners, as well as wharf properties there number of sowners, as well as wharf properties there, and around "the Basin." Near the mill of Tayte, Meating & Co. a strong dam was erected in the gully. Nature aided wonderfully in the gully. Nature aloed wonderfully in the erection of this dam by providing natural stone buffs as resting places for the ends. From the pond thus formed the water will be led directly to the mill wheels by a steel tube 475 feet long and 16 feet in distribution of 43 feet the provided.

or the state of th

electricity, and steam heated. In addition

horse-power to be furnished to the granite works, whose water powers they acquired. They can also furnish electric lighting for the town of St. George if desired.

The operations are being conducted under the supervision of Edward G. Murphy, who will be manager of the new industry. He has been associated with the phy, who will be manager of the new industry. He has been associated with the manufacture of paper all his life and his colleagues are also practical men.

The establishment of the new industry has created considerable interest in St. George and a successful future is predicted for the contraction of the new industry.

The weather continues soft and there is still no sign of ice in the river.

John Kilburn left for Quebec this afternoon to spend a week at his lumbering camps.

The Rothesay football team arrived here this evening and will play the second team of the university tomorrow afternoon.

John Murray, son of Councillor John Murray, Kingsclear, died at his father's home last night after a protracted illness, aged 30.

Fredericton, Nov. 23—(Special)

Nock, who have been conducting very successful services at St. Dunstan's church the past two weeks, held their last meeting of the series this evening. The reverent gentlemen are eloquent epeakers and have awakened much interest.

E. E. Perley, of Woiseley (N. W. I. arrived here from the west Saturday accompanied by Mrs. Perley. They are cheir honormon trip. The bride was adaughter of Doctor Clint, of Winnipez, and the marriage was celebrated at Grace church, that city, on Weiseley, formerly of Maugarville, and she bridel past are to visit the groom's early, home.

The death occurred Saturday afternoon of Mrs. Elizabeth Winters, Brunswick, etreet, after a brief illness with consumption. Three young daughters are left to mourn the loss of a kind and loving mother—Misses Pearl, Alice and Jennie, Deceased was in hest 45th year.

The death occurred Friday at the home of his parents, of J. Gardner Briggs, on G. George W. Briggs, of Lakeville Coner, Sunbury county. He had been ill for some time with consumption. His parents, one brother and four sisters are left to mourn.

Deputy Provincial Secretary R. W. L. Tibbits had, a few days ago, a letter from his son Admian, who went to South Africa and served in the constabulary. He is now in New York, and writes that he is going further south before returning home and will probably accept a good possition of George in the constabulary. He is now in New York, and writes that he is going further south before returning home and will probably accept a good possition of George in the constabulary. He is now in New York, and writes that he is going further south before returning home and will probably accept a good possition of George in the constabulary. He is now in New York, and writes that he is going further south before returning home and will probably accept a good possition of George in the constabulary. He is now in New York, and writes that he is going further south before returning home and will probably accept a good possition of George in the constabulary and the co

result 259 cards were handed in. So great is the interest awakened in the temperance question that a total abstinence society is to be at once organized in connection with St. Dunstan's church.
