BACHELOR'S CONSOLATION

Our here replied, "What's the use of the our!

If one of one stitches is best,
Why that it the right one to use all the time,
And what will you do with the rest?"

The "Howe" and the "Wilson" both value he tried.

The "Domestie" and "Oaborne" as well.
But he "Howe" was too heavy, the "Wilson" too light.
And the "Osborne" broke down on a fell.

For here half a dozon machines were engaged In stitching of different sorts. Which they did so complete, and with so little noise. He acknowledged the truth of reports. XVII.

In lightness of running, in stillness and speed,
In construction so simple, yet strong,

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannan, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Antunn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no eathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with Vinegar Bitters. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Ericetations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitatation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of Walkers's Vineral Rear Bitters occasionally.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters displays a decided an influence that improvement is soon perceptible.

Cleanse the Vitated Blood whenever you find its impurities bursting through ever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
