NORTH BUXTON.

Rev. and Mrs. Perry, who have been attending the B. M. E. Conference in Toronto, returned last Thursday. Rev. Perry was appointed to Buxton for another year.

The report from the Buxton church was acclaimed as one of the best in many years, there having been an increase in membership and finance over the preceding year.

The conference was undoubtedly the most unique in the history of the B. M. E. Church and will be handed down to generations as the most momentous by virtue of the unanimous decision in taking definite action to affiliate with one of the larger Methodist churches. The importance of the conference was also based on the fact that more recognition was given it than in any previous year, and the presence of some of the most outstanding Negro preachers and race representatives. The following bishops were in attendance: Bishop W. T. Vernon and Bishop Albert Johnson of the A. M. E. Church, and Bishop G. C. Clement representing the A. M. E. Zion. Very notable addresses were delivered by these men which will long linger on the minds of those who heard them.

Rev. Claude A. Stewart and Mrs. Stewart, of Hamilton, are visiting Rev. and Mrs. Perry at the parsonage. Rev. a very large congregation on Sunday Stewart preached most acceptably to evening.

The Harvest Home services of the Baptist Church are to be held next Sunday, when the Rev. Mr. McNeil, of Windsor, will be the preacher at the afternoon service.

Quarterly meeting in the B. M. E. Church will be held on Oct. 10th.

The beginning of the ensuing year of the church opens with two joining the church.

WINDSOR.

The Canadian League for the Advancement of Colored People in this city has been caught by a new burst of enthusiasm. At a recent election some of Windsor's most prominent citizens were put into office. Many plans for future success were decided on at a meeting held in the A. M. E. Church last Thursday evening. All three colored ministers are deeply interested in the success of the league and are urging their congregation to join and stand behind this great movement. J. F. Jenkins, general secretary, was present at the last meeting. His general review of the work and his other timely remarks have added a new impetus and have inspired the League with new zeal and increased devotion. Notice to other branches—Watch us grow!
