GUN REPAIRING!

We have, during our extensive alterations, built a new workshop, which, in addition to our old one, is the largest and best in the Dominion. It is specially arranged for light, and is fitted up with the newest and most perfect machinery, and a staff of skilled mechanics from Birmingham, England. We have also built a combined Bluing and Case-Hardening Furnace, and have special facilities for Restocking, Choke and Cylinder Boring, Barrel Browning, Re-jointing, Tightening, Screwing and Finishing, and are prepared to turn out anything in repairing at the lowest figures, and in the best manner possible.

It would be hard to impossible to give a complete price-list of the numerous repairs. We, however, quote below a few of the most common repairs:—
