

About Your Hunting Location

Anticipate the opening day of the season; line up your arrangements now; get maps and general particulars of the new game-lands north of Parry Sound—the best deer country in Canada. Last year more deer were taken out of CANADIAN NORTHERN ONTARIO territory than from all other portions of the province combined, yet only 27 miles of the new extension from Parry Sound were open. This year the extension is completed from Parry Sound to Sellwood thirty miles north of Sudbury, a stretch of over 140 miles through the richest big game country in Ontario. Write or call for a copy of "Moose Trails and Deer Tracks," a new publication, brimful of useful information for hunters.

Address, Information Bureau, Canadian Northern Building, Toronto, or call at Ticket Offices of CANADIAN NORTHERN ONTARIO RAILWAY, Cor. King and Toronto Streets, and Union Station.
