

## Bears Win And Tie At Grande Prairie

University of Alberta Golden Bears gained a win and a tie in an exhibition hockey series in Grande Prairie at the weekend.

The collegians romped to a 5-1 victory over Grande Prairie Athletics Saturday night, but were held to a 5-5 tie Sunday afternoon.

Brian Harper tallied four goals in Saturday's contest, with Les Payne counting the other.

Ed Wahl scored three times for the Bruins Sunday. Other Alberta markers came from Rod "Butch"

Hyde and Dick Wintermute.

Golden Bears next action is Wednesday against the Lacombe Rockets. Game time is 8 p.m., with the exhibition to be played under international rules. The game is at Varsity Arena.

The teams meet again Friday, 8 p.m., at Varsity Arena.

Rockets, coached by Art Park, rank as the best hockey team in Alberta. They leave in December on a three-week exhibition tour of Europe.

Alberta coach Clare Drake, considers the Lacombe outfit his toughest opposition of the year.

In a scrimmage earlier this month, Rockets whipped Golden Bears 6-0.

## Bears Pick Outstanding '64 Players

Three cogs in the University of Alberta football machine have been chosen the outstanding Golden Bears of 1964.

Seniors Dmetro Rosiewich and Dick Wintermute were selected top backfielder and top lineman, respectively. Freshman quarterback Don Green got the nod as the Bruins' No. 1 rookie.

Voting was done by members of the team, which swept to its second straight undefeated season.

Rosiewich, a power-running full-back, was promoted to the starting lineup after Bert Carron dislocated an elbow in an exhibition joust. He immediately stood out, leading the team in rushing and springing his backfield mates loose with key blocks.

Wintermute, who also stars with the hockey Bears, enjoyed another fine season at centre. He is a Western intercollegiate all-star.

Green, a Huskie junior graduate, took over from injured Wille Algajer early in the season.

### THREE DOORWAYS TO A REWARDING FUTURE

Here are three attractive plans that cater for the varying circumstances of young men interested in a career as a commissioned officer in the Canadian Army:

**1 THE REGULAR OFFICER TRAINING PLAN** - This is a tri-service plan under which high school graduates receive advanced education and leadership training at one of the Canadian Services Colleges or at a university to become officers in the Royal Canadian Navy, the Canadian Army or the Royal Canadian Air Force.

**2 THE CANADIAN OFFICERS TRAINING CORPS** - University undergraduates may obtain a commission by training during their spare time and summer holidays. They are paid for actual training time and, after graduation, may choose either full-time service in the Regular Army or part-time service in the Canadian Army Militia.

**3 MEDICAL AND DENTAL SUBSIDIZATION PLANS** - These are tri-service plans under which university students in medicine or dentistry can be subsidized during their course and become commissioned medical or dental officers in the Canadian Armed Forces after graduating and obtaining their licence to practise.

 You may obtain full information on any of these plans from the local Army Recruiting Station listed in your telephone book.
