Dear Beaver Foods:

Welcome back yourself, I missed you so much that I came back early. You will never know the anguish I felt every time I woke up knowing I had to go through another day without you. Life just wasn't the same.
Love, Mr. Happy
PS. PSYCHE!!

To the Bloomers Basketball Team:

I know a lot has been said, and that a lot will be said. So now I'M going to say something. I want to tell you that it is OK, you didn't win the AUAA's, but that is OK. Sometimes winners lose and losers win. I just want you to know that I am proud of you, I am glad that I've had the chance to know you and that I have a great deal of respect for you, REGARDLESS. I share your loss and I feel for you. I thank you for yet another great season. You are on eclass act and winners in the ultimate sense: Let no one tell you otherwise, let no one make you change, never ever hang your heads.

From someone who has been there,
Just a Fan

FUZZY NORTON:

You ungrateful little twerp!! I thought I would be nice and feed you while Scott was gone, and look what I got in return. I knew a hamster that bit the hand that fed him once... he's dead now. Prepare to experience extreme mental anguish. It's funny how your water bottle just brake like that. Life's a bitch eh?
Dr. Gus Lizard
PS. It sure seems hot in here, and dry too. Good thing Carl keeps my water dish full. Suffer, you hairy little puke!

GRANT, JOHN AND SEANSTER;

For the abuse I endured after Bridges ... I feel you need to be reminded of your place in the Cosmos. Your Karmas are begging for balancing. You made me get up. If I find the nipple we'll party ... sleep well .. FERN apologizes for his lack of tact in his obsession with Banana Extract The three Cosmonaughts Are always in his thoughts And he needs a diversion In new forms of perversion So why not all three Come join him for tea? ODD DUCK: I was so good at finding your faults I overlooked mine. Times have been rough (understatement) but often by seeing the dry brown petals in a red rose do you appreciate more the vivid red petals.
A Broken-Winged Strange Bird

DARBOT: Don't believe the Gypsy's Warning on the Lit. Page. Remember we both have brown eyes, so does that mean we both know what we deserve? The best of both of us definitely.
