## Streeters

**Cindy Foley, 1st year, Arts major**  
**HOT:** Staying busy, keeping fit, soaking up all the activities going on. There's so many sports to watch.  
**NOT:** The weather.

**Andreas Bonomo, 2nd year, Pseudosociology major**  
**HOT:** Shoes are the hot thing for the year. These boot-looking things that have weird soles. Less Birkenstocks, that's hot.  
**NOT:** The SUB. It's turning into a mall, a frenzy of economic gluttony. I just can't deal with it. I'm economically bitter.

**Nash Bailey, 5th year, just taking a German course**  
**HOT:** It's a soothing atmosphere here. Also, the vines growing all over the walls of buildings.  
**NOT:** I hate the Killam Library. They keep losing my books and charging me hundreds of dollars for them, even when I've taken them back.

## The Gazette asks: What's hot and what's not at Dalhousie?

**Cindy Toner, 2nd year, Kinesiology major**  
**HOT:** I love Nova Scotia and the people.  
**NOT:** Not enough time to do everything.

**Sarah Buddo, 2nd year, Psychology major**  
**HOT:** Going out with your friends. Having a good time. And doing well in your classes.  
**NOT:** Not going to class. Being hung over. That's definitely not hot.

**Rachel McClellan, visiting from University of Toronto**  
**HOT:** Visiting Dalhousie.  
**NOT:** Being shackled up too long. Studying.

### EPSON Stylus Ink Jets HIGH DEFINITION

The High Definition EPSON Stylus ink jet printers are engineered with exclusive technology, proudly producing the finest output ever seen from personal ink jet printers. Since no other personal ink jets have EPSON's exclusive technology, no other personal ink jets produce High Definition images as clear and crisp. But we don't expect you to take our word for it. Drop by your Campus Computer Purchase Centre and see for yourself. Look closely at the print sample on display. Not only will you be impressed with the sharp output from the Stylus ink jet printer, but taking notice could make you a winner!
