

Confined to the Reserve, or these
should be provision for
their requirements.

No doubt, if the Indian
Agent has authority to con-
-fine these parties to the limit
of their reserves, there will be
no occasion for further re-
-production.

In the meantime as
I have informed you, they are
using up lands covered out
would belong to private
parties, and that matter
should receive attention

Yours truly

H. C. Bell
