

Confined to the Reserve, or these  
should be provision for  
their requirements.

No doubt, if the Indian  
Agent has authority to con-  
-fine these parties to the limit  
of their reserves, there will be  
no occasion for further ap-  
-propriation.

In the meantime as  
I have informed you, they are  
using up lands covered with  
wood belonging to private  
parties, and that matter  
should receive attention

Yours truly
