My dear Sir

Your letter enclosing one from
the Rev. M. T. has been received -

but there are several Indians of the
name of Cadotte and as the Christian
name is not given - there is no
certainty as to which is meant.
There is a Cadotte who came to

Montreal last year with Shingay
and I think the Indian who
married an Englishwoman in London
bears that name - is it either of

these men? - Please put your
comments to me under cover
of Major Campbell. Yours truly
