Statement of the Accused in mitigation of Sentence.

When I enlisted in the Army It was for 1st Regiment de Maisonneuve, two years ago. I have been transferred to R 22 R. about four months ago. I was fed up and that is why I have been A.W.O. I have been in custody 59 days waiting for this trial.

Witness as to character

D 56219 Pte Brax J. N. R. de Mais 60194 having been duly sworn states:
I know the accused since the 1st July 43. On the 5th of Aug. 1943, about 0125 hrs a big fight arose in the Guardroom between M.P.s and prisoners because some one wanted to escape. The accused is one of the eleven who helped me to reestablish order and prevent many prisoners escaping. He has always had a very good behaviour in the guardroom and always did the work we gave him to do.
Prof R.O. 3262 are complied with.
The Court is then closed for the consideration of the Sentence.

Signed at Ologouquin Camp.
