H. E. Taylor, Esq., Indian Agent, Vancouver, B. C.

I have your letter of September 24th in connection with Chekwelp Indian Reserve No. 26 water supply system. I am of the opinion that it would be advisable to secure a new resolution from the Band providing for the expenditure of \$346.00 from Band funds, being the estimated cost of changing the pipeline and in addition providing that future maintenance costs may be met from Band funds.

It would be appreciated if you would also let me have the copy of the band's resolution of March 18th, 1927 which we do not appear to have on file.
