The oyster supper given in honor of Mr. J. A. Stringer at the residence of Mr. Jos. Bennett last night, was a brilliant affair. Mr. Bennett has moved his dwelling nearer the street and has thoroughly overhauled, renovated and enlarged it and he now has a great palace containing about 20 apartments, beautifully and well furnished throughout at a cost of \$1,400, and is admirably switable for such occasions and in his spacious dining room stood a table that fairly groaned beneath the immense weight of viands so deliciously cooked and artistically arranged and decorated

There are pile remedies without number, but there is only one cure, and that is the Pyramid Pile Cure,

number, but there is only one cure, and that is the Pyramid Pile Cure, which is in the form of a suppository and is applied directly to the seat of the trouble.

Any physician will tell you that for the proper treatment of Piles nothing can compare with a suppository, whereas the greater number of preparations that are offered to you for the treatment of this disease, are lotions, salves, and ointments. Why? Because they are not so expensive as a suppository, which is bound to contain more costly ingredients, and which requires special machinery to make it; moreover, a suppository inserted up the rectum, somes in direct contact with the cause of the complaint, and no other form of treatment does so.

Wallace Cookman, Hallerton, P. Q., Canada, writes: "I have had two surgical operations for piles and they were not a success; after using three boxes of Pyramid Pile Cure I feel as though I never had piles, and they have afflicted me for twenty-five years."

H. H. Palmer, Windsor, Calif.: "After suffering from piles for fifteen years and trying different salves and ointments in vain, I was completely cured by the use of two fifty cent packages of Pyramid Pile Cure."

After many quarts of oysters had disappeared and other good things in proportion, the guests repaired to the spacious parlors, where a very interesting and amusing program was card out. On motion of M syrs. W. A. Scaman and L. A. Pardo, J. M. Garel took the chair. Mr. M. Jacobs of Charing Cross gave a song. Mr. W. Scaman was then introduced and came forward with his usual wit and humor, and stated the object of the meeting—Rousing cheers. Miss Bennett gave a splendid musical selection after which J. M. Garel replied to the opening address. In part he said if there was no other opposition that he would take that stand (rousing cheers) and then introduced Mr. Stringer, whom he said would give an account of himself. Mr. Stringer took the chair amid prolonged cheering, and for a time there was a lively political meeting. The pros and come came in from all quarters. Some times there were three or four on their feet at once, trying to be heard, but before Mr. Stringer got through he succeeded in quieting the excitement and gathering the voters under his banner. Here the program took a turn when the music by Miss Bementtt, songs and recitations by James Doyle, M. Jacobs, S. Hitchcook, F. Shadd, J. Meloche, Mr. West, and speeches by J. Morriss, W. Scaman,
