

## PREFACE.

The Publisher of this edition of McAlpine's St. John City Directory for 1891-92 has much pleasure in informing the public that this year makes 26 years that he has been engaged in publishing Directories on his own account, which causes him to be, in a direct continuous line, the oldest publisher of Directories in the Dominion of Canada. He now places in the hands of the public this edition of the City of St. John Directory, and returns his sincere thanks to all who have supported him in these publications, especially to those who have done so from the commencement. There is added to this work a list of all the streets in the north, south and west ends of the City, where they commence and where they end. See page 416.
