WORDS FROM THE HEART.

A NOVA SCOTIAN FARMER TELLS HOW HE REGAINED HEALTH.

He Suffered for Years from Kidney Trouble, Sick Headache and Rheumatism—Although Advanced in Life He Has Found a Cure.

From the Enterprise, Bridgewater, N.S.
Solomon Meldrum, Esq., of Upper Branch, Lunenburg Co., N.S., is a gentleman of Scotch descent, and well known throughout the county. He is an agriculturist of repute and is prominent in the local affairs of the Baptist denomination. Referring to Dr. Williams' Pink Pills, he says:—"I consider them a most wonderful and beneficent revelation in the realm of medicine. Previous to using these pills some two years ago, I had suffered for years from kidney trouble and rheumatism. Many a time had I been so bad that I could do nothing but endure the pain and pray for physical deliverance. My advanced age, being nearly 70 years old, made a cure look almost impossible, humbly considered, in a case of such long standing. But thanks to the Lord and Dr. Williams' Pink Pills, I am here to-day in excellent health with scarcely an ill feeling to remind me of past sufferings. Something over two years ago I read of the wonderful cures attending the use of Dr. Williams' Pink Pills. I thought if these testimonials are true it is possible the pills may benefit even me. I bought six boxes first, used them strictly as directed, and with the Lord's blessing they did me much good. But my ailments were chronic, deep seated, and I am an old man. The cure was not complete, and I got twelve boxes more with all faith in the result. I only had to use six boxes of the second lot when I found myself quite free from kidney troubles, rheumatism and all other bodily ailments, except the disability incidental to persons of my advanced age, and I even these were in a measure relieved. I may add that for a long time before I used the pills and when I began their use, I was the victim of the most distressing attacks of sick headache, the sensation of sea-sickness in extreme violence being not a whit more distressing. These attacks came on once or twice a week. After taking the pills, the attacks became less frequent and less troublesome and finally ceased almost entirely. My son who lived at a distance took the remaining six boxes and stated to me that they did him much good. This I do know, that he looked much fresher and appeared in better spirits after their use. Believing as I do that an overruling power suggests to mortals all the wise and beneficial thoughts and inventions which operate to improve our race, and allay and cure our suffering, I say again that I thank the Lord and Dr. Williams' Pink Pills for my prolonged life and present good health. Dr. Williams' Pink Pills cure by going to the root of the disease. They renew and build up the blood, and strengthen the nerves, thus driving disease from the system. Avoid imitations by insisting that every box you purchase is enclosed in a wrapper bearing the full trade mark, Dr. Williams' Pink Pills for Pale People. If your dealer does not keep them they will be sent post paid at 50 cents a box or six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont.
