MORNING.

When the mist is on the river, and the haze is on the hills,
And the promise of the springtime all the ample heaven fills;
When the shy things in the wood-haunts and the hardy on the
plains
Catch up heart and feel a leaping life through winter's sluggish
veins;

Then the summons of the morning like a bugle moves the blood
Then the soul of man grows larger, like a flower from the bud;
For the hope of high Endeavor is a cordial half divine,
And the banner cry of Onward calls the laggards into line.

There is glamor of the moonlight when the stars rain peace below
But the stir and smell of morning is a better thing to know;
While the night is hushed and holden and trans-pierced by
dreamy song.

Lo, the dawn brings dew and fire and the rapture of the strong.
Richard Burton, in Atlantic Monthly.
