Rev. John Ure, M. A., of Woodside church, Aberdeen, has just introduced the telephone into his church, for the benefit of members of the congregation who are afflicted with deafness. Mr. Ure, is the first in the North to adopt this means of helping those who are too deaf to enjoy the service, and the "invention," when tried the other Sunday, worked most satisfactorily.

## STOMACH TROUBLE

Makes THE LIVES OF THOUSANDS  
OF PEOPLE MISERABLE.

Mrs. John Holland of Tarantum, P. E. I., Gives Her Experience for the Benefit of Similar Sufferers. Dr. Williams' Pink Pills Cured Her After Other Medicines Failed.

From the Watchman, Charlottetown.

Mrs. John Holland, of Tarantum, P. E. I., is well known and highly respected in the community where she resides. For some years her life was one of misery and suffering, having been an acute sufferer from that common foe of humanity, dyspepsia. A reporter, hearing of her restoration to health through the agency of that wonderful remedy, Dr. Williams' Pink Pills for Pale People, called upon Mrs. Holland to obtain particulars, which were cheerfully given as follows:—"About four years ago I became very ill, I was attacked with a distressing pain in my stomach, accompanied by flashes of heat and cold. These attacks were generally preceded by a sleepiness and stupor which required constant exertion to keep awake. I had little or no appetite and food lay as a stone on my stomach. As time passed, I was growing worse, vomiting of food set in, with sudden changes of heat and cold in my feet. I was so reduced in strength as to be able to walk any distance without resting. To work I dare not attempt. I began to feel that I could not live very long in my present condition. I was reduced in weight to 115 pounds. Two years ago I began using Dr. Williams' Pink Pills. Before this I had tried various advertised medicines, but without any benefit resulting. I was using the second box of the pills before I felt any benefit, but from that my recovery was rapid. I used in all five boxes of the pills, and have never felt better in my life than I do at the present moment. All the disagreeable sensations that accompany dyspepsia have vanished; I can enjoy my meals with relish, and my weight has increased from 115 to 139 pounds. It is now more than a year since I discontinued the use of the pills, and as I have not had the slightest touch of the trouble in that time, I feel safe in saying that my cure is permanent. I would strongly advise others suffering from stomach troubles to give Dr. Williams' Pink Pills a fair trial."

Dr. Williams' Pink Pills cure by going to the root of the disease. They renew and build up the blood, and strengthen the nerves, thus driving disease from the system. Avoid imitations by insisting that every box you purchase is enclosed in a wrapper bearing the full trade mark: Dr. Williams' Pink Pills for Pale People. If your dealer does not keep them they will be sent postpaid at 50 cents a box, or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

Soiled floor-mattings should be washed in cold salt water, a pint of salt to a gallon of water, a soft cloth being used instead of a brush in applying the wash. Water and corn meal will cleanse especially bad places.

Turpentine in which is dissolved as much camphor as it will take up is pre eminently the dressing for lacerations, bruises and cuts. Its antiseptic action is equal to that of carbolic acid; it speedily stops bleeding. Few if any ulcers long resist its continued application.
