GEORGEVILLE, P. Q., January 16th, 1901.

THE SUNLIGHT GAS CO., Ltd., Montreal, P. Q.:  
GENTLEMEN,—I have been using one of your twenty-light gas machines since last August, and am perfectly satisfied with it in every respect. I have used both coal gas and electric light, but much prefer the acetylene light to either, as being more steady and an easier light for the eyes.

With regard to your machine, I have nothing at all to say against it, as it is easily cleaned, needs absolutely no attention when operating. I shall at any time be most pleased to show my plant to anyone, or do anything in my power for your machines.

Yours truly,  
M. L. WILLIAMS.

**A BUSINESS EDUCATION IS NECESSARY ON THE FARM.**

Mr. Daniel A. Campbell, of Port Elgin, Ont., says: "I could not have got along without it, and would not now part with the knowledge obtained for any amount of money. I find it just as useful to me on the farm as it was in business. When your business principles are applied to farming, it pays as well as any business, and is more independent. Every young man who wishes to succeed in any calling should have a business education, and the NORTHERN BUSINESS COLLEGE is, I believe, the best place in Canada to get it."
