THE COLONIAL commenced business in 1846, and the result which has attended its operations fully bears out the anticipations of success which its founders entertained.

The Directors look forward with confidence to a very favorable result at the first Division or Province, in 1854, and PERSONS ASSURING BEFORE 25TH MAY, 1850, WILL PARTICIPATE IN THAT DIVISION TO THE EXTENT OF 5 YEARS' CLAIM.

The CAPITAL of the Company gives complete security for all its transactions, and parties dealing with the Office incur none of the risks of mutual assurance.

The RATES adopted were framed after a most careful and searching enquiry as to the value of life in North America, and the Directors are confident that they have adopted as moderate a scale as can be held compatible with safety.

Parties assured can pass between Great Britain and North America within certain limits without extra charge, and have other privileges of residence, as more particularly noticed in the Company's Prospects.

Every information can be obtained by application at the Company's Office, in Halifax, N. S., No. 11, Prince Street, or from any of the Agents.

By order of the Directors,

Secretaries to the Halifax Board.
