PATENTS.

CAN I OBTAIN A PATENT?

Send a rough sketch or (if you can) a model of your invention to **GEORGE E. LEMON, Washington, D. C.**, and a Preliminary Examination will be made of all United States patents of the same class of inventions and you will be advised whether or not a patent can be obtained.

FOR THIS PRELIMINARY EXAMINATION NO CHARGE IS MADE.

What will a Patent Cost?

If you are advised that your invention is patentable, send \$20 to pay Government application fee of \$15, and \$5 for the drawings required by the Government. This is payable when application is made, and is all of the expense unless a patent is allowed. When allowed, the attorney's fee (\$25) and the final Government fee (\$20) is payable. Thus you know beforehand, for nothing, whether you are going to get a patent or not, and no attorney's fee is charged unless you do get a Patent. An attorney whose fee depends on his success in obtaining a Patent will not advise you that your invention is patentable, unless it really is patentable, so far as his judgment can aid in determining the question; hence, you can rely on the advice given after a preliminary examination is had. **Design Patents** and the **Registration of Labels, Trade Marks and Re-issues** secured. **Caveats** prepared and filed. Applications in revivor of **Rejected, Abandoned, or Forfeited Cases** made. Very often valuable inventions are saved in these classes of cases. If you have undertaken to secure your own patent and failed, a skillful handling of the case may lead to success. Send me a written request addressed to the Commissioner of Patents that he recognize **GEORGE E. LEMON, of Washington, D. C.**, as your attorney in the case, giving the title of the invention and about the date of filing your application. An examination and report will cost you nothing. Searches made for title to inventions, in fact any information relating to Patents promptly furnished. Copies of Patents mailed at the regular Government rates, (25c. each.) Remember this office has been in successful operation since 1865 and you therefore reap the benefits of experience, besides reference can be given to actual clients in almost every county in the U. S. Pamphlet relating to Patents free upon request.

In the Whole History of Medicine

No preparation has ever performed such marvellous cures, or maintained so wide a reputation, as **AYER'S CHERRY PECTORAL**, which is recognized as the world's remedy for all diseases of the throat and lungs. Its long continued series of wonderful cures in all climates has made it universally known as a safe and reliable agent to employ. Against ordinary colds, which are the forerunners of more serious disorders, it acts speedily and surely, always relieving suffering, and often saving life. The protection it affords, by its timely use in throat and chest disorders, makes it an invaluable remedy to be kept always on hand in every home. No person can afford to be without it, and those who have once used it never will. From their knowledge of its composition and operation, physicians use the **CHERRY PECTORAL** extensively in their practice, and clergymen recommend it. It is absolutely certain in its healing effects, and will always cure where cures are possible.

WILL YOU EXCHANGE

a case of **Dyspepsia or Billiousness for 75 cents?** It is awfully unwise to agonize under the many ailments arising from **Dyspepsia, Indigestion, Disordered Stomach and Liver**, when this offer is made to you in your own home in all sincerity,

with an absolute certainty of curing you.

ZOPESA (from Brazil) cures **Dyspepsia and Billiousness**. A single dose relieves; a sample bottle convinces; a 75 cent bottle cures.

It acts directly upon the **Stomach, Liver, and Kidneys**.

Cleansing, Correcting, Regulating, Zopesa gives energy and vim to the Brain, Nerve, and Muscle, simply by working wonders upon the Digestion, and giving activity to the Liver.

Cut this out, take it to any dealer in medicines, and get at least one 75 cent bottle of Zopesa, and tell your neighbor how it acts. It is warranted to cure **Dyspepsia and Billiousness**.
