SIXTY YEARS IN UPPER CANADA WITH AUTOBIOGRAPHICAL RECOLLECTIONS

By CHARLES CLARKE, Late Clerk of Legislature of Ontario.

Cloth, 321 pages, net \$1.50

"The book naturally deals with political events, and the epoch-making events of the past sixty years are clearly outlined. Interesting comparative sketches of Sir John A. Macdonald and Hon. George Brown are given, but the bulk of the book is devoted to the period covered by the active life of Sir Oliver Mowat. The personal references to the men, great and small, who guided the political destinies of Ontario during its career as a province are full of interest, and the work, so far as a layman can judge, has been done with discretion and good taste. Mr. Clarke's book is certain to appeal to a large constituency."—*The Presbyterian.*

DISTINCTIVE NEW WALL PAPERS

Selecting Wall Papers will not be a task, but a pleasure, if done here. The points of merit are numerous, but originality of design, great beauty of coloring and smallness of price are among the attractive features. They are the latest productions of the leading English, French, German and American manufacturers, and with few exceptions the patterns and colorings are confined exclusively to ourselves.

Imported Paper for Bedrooms, 10c. to \$1.50 per roll.
For Halls, Dining-rooms, Libraries and Sitting-rooms, 25c. to \$8.00 per roll.

Drawing and Reception Room Papers, 35c. to \$15.00 per roll.

Samples will be forwarded free of charge to any address. Please state what room, color and price desired.
