**TALKED TO THE FARMERS**  
(Special Correspondence)

Strassburg, Sask., July 27.—Hon. W. R. Motherwell, minister of agriculture, addressed a very enthusiastic gathering of farmers and citizens here yesterday afternoon. His address bearing chiefly on the best methods of Agriculture in the course of his remarks he referred to this district as one which never need fear frost and with proper cultivation of the soil they need never fear drought. He also remarked that crops in this district were at least always ten days earlier than most other points in Saskatchewan.
