

Canada's Overseas Trade is \$2,351,000,000

Sea-borne \$1,046,000,000
Land-borne \$1,305,000,000

More than half this land-borne trade is ultimately sea-borne—but in Foreign Ships.

Every pound of Canadian products shipped from a port outside Canadian territory retards our maritime growth, weakens our national prosperity and places control of a part of our sea-borne commerce in the hands of a competitive nation.

If You Have High Blood Pressure You Must Be Careful

When the Blood Pressure is much above normal there is always the danger of rupture of a blood vessel, most frequently in the Brain and producing a stroke, or in the Kidneys, producing Bright's Disease. One should guard against over-exertion or excitement and take

HACKING'S

HEART AND NERVE REMEDY to dissolve the Uric Acid deposits that form in the Veins and Arteries, making them hard and brittle. This remedy is a wonder; it builds up the entire system by Purifying the Blood, Strengthening the Heart and by producing a normal and healthy condition of the Nerves.

Mrs. Wm. Morley, of Palmerston, used quite a number of boxes of Hacking's Heart and Nerve Remedy and they benefited her so much and she was so pleased with them that she recommends them to all her friends who have this trouble or who are all run down and Nervous. She says "you must be sure to get Hacking's."

Constipation is one of the aggravating causes of High Blood Pressure and it is advisable to use Hacking's Kidney and Liver Pills to drive out the Poisons that generate in the system. These two preparations go well together and you should buy a few boxes from your dealer to-day. Hacking's Limited, Listowel, Ont.

The Match as a Deadly Toy

The use of matches as a plaything is a very dangerous habit. In the Province of Ontario, during the year 1919 one fire in every eight originated through children playing with matches; and they thus wantonly destroyed more than \$300,000 worth of valuable property, besides sacrificing several innocent lives. Even in the hands of careless men and women many fires are caused by thoughtlessly throwing a match in a waste paper basket, or pile of rubbish, before it is quenched. A good plan is to break the stick in two and then you will be sure that there is no fire in it.

Government Help for Widows

On October 1 next there will come into force a very important Act of the Ontario Legislature, by which every mother with children under 14 years of age dependent upon her, who lost her husband by death or whose husband has been permanently disabled or confined to hospital or asylum and who has been a resident of Ontario for at least four years previous to her application, is a British subject, continues to reside in Ontario, and is a fit and proper mother to take care of her children, will receive an allowance sufficient for her maintenance from the government. It has been proved by actual experiment that dependant children can be supported cheaper in this way than by placing them in institutions. In the home, the mother, who receives no salary, does the work which a paid matron, housekeeper and cooks do in the institution. Fuel and food bills are also less in the home, and, most of all, the children have the care of a mother, which is the one thing an institution can never supply, no matter how well conducted.

Suing G.T.R. For Damages

An interesting case will be heard at the next sitting of the Division Court when Mr. James B. Miller, of Arran Tp., will endeavor to secure damages to the extent of \$100 from the Grand Trunk Railway. On the seventh of June last the plaintiff's cattle strayed on to the defendant's track at lot 20 in the half mile strip in the Tp., of Arran, and the train ran into the cattle killing a heifer valued at \$75 and injuring another cow, reducing her value by \$25. The plaintiff claims that it was the duty of the company to keep the gateway in repair so the cattle could not stray on to the track. The case will be tried before Judge Greig, at the next sitting of Division Court here on November 10th.—Tara Leader.

Mary Pickford Loves to do Great Things

The famous star of Sunnyside Farm says: It is one of her best photo plays. I have enjoyed every minute of this production because I ran around in short dresses and act the little kid I always wanted to be. I have been on the stage and screen so long that I never had much time for playing. The days we gave the circus in the barn, the whole studio stopped work and came over to play with us. It was all I could do to keep D. W. Griffith, Henry B. Walthall, Lillian Gish, and some of the others from getting in and playing like the rest of the children. This attraction along with Charlie Chaplin in "The Floor Walker" will be seen here on Friday, October 1. Over 8,000 feet of film. Will be shown here with special. Doors open at 7.30, starting 8.15.

Women of Canada Testify

Dacre, Ont.—"I am more than pleased with Dr. Pierce's Favorite Prescription. I was run-down and so nervous that I could not even stay in the house alone in the day-time and tried every kind of medicine I heard of but got no result. One of my friends advised me to take 'Favorite Prescription' and it proved most beneficial. It so completely restored me to health that I have never had any return of this ailment. I do advise the use of 'Favorite Prescription' by women who suffer with womanly trouble."—MRS. GEO. WALKER, P. O. Box 490.

WEAK AND NERVOUS

Tillsonburg, Ont.—"I found Dr. Pierce's Favorite Prescription an excellent medicine for the ailments of women. I had become very weak and nervous. I was just miserable when I began taking the 'Favorite Prescription' and it proved most beneficial. It so completely restored me to health that I have never had any return of this ailment. I do advise the use of 'Favorite Prescription' by women who suffer with womanly trouble."—MRS. GEO. WALKER, P. O. Box 490.

Dr. Pierce's Favorite Prescription is made of lady's slipper root, black cohosh root, unicorn root, blue cohosh root and Oregon grape root. Dr. Pierce knew, when he first made this standard medicine, that whiskey and morphine were injurious, and so he has always kept them out of his remedies. Women who take this standard remedy know that in Dr. Pierce's Favorite Prescription they are getting a safe woman's tonic so good that druggists everywhere sell it, in liquid or tablet form.

The Mayor of Winnipeg says that the people of that city are tired paying the exorbitant prices asked for apples and the Municipality has decided to purchase a supply direct from the fruit growers and dispose of them to citizens practically at cost.
