Publister O_tario I am offering for publication a few aggestions in regards to horse breed-

brief; many have overlain horses. A large share of these mares whose mating has not yet been planned are in the hands of woners who insist on small service fees or on patronizing a stallion nearby. Some will even breed mares to a grade colt raised on the place or in the neighborhood rather than pay a service fee. Such practices have worked untold injury to the horse business, mainly evidenced by low prices to those who raise the s.r. b horses.

BOUSE FOR SALE

BELLEVILLE ASSAY OFFICE

m16-dtf

TORONTO, March 25. — At the very latest date the Ontario Work-The Apex Club to Produce Pleasing for the service fee of such that the Tabornacle Church, are desting, when their second annual concert, under the title of "Talls s. the Indian Princes," will be produced. Written by a local gentleman they are mable to see a dollar in the dramatized for this sepectal event, trusting this will meet with the dramaconce but the dramaconce of the service fee of such the dramaconce of the service fee of such the remaining day in rehearsal, its pronounced an unqualified success, and with proper settings, which are now in rehearsal, its pronounced an unqualified success, and with proper settings, which are now in rehearsal, its pronounced an unqualified success, and with proper settings, which are now in position, will prove well worth seeing.

In addition to the service these who raise the s. T. b. pargable. Consequently local trace in all lims has been very light.

The price of eggs has taken quite a drop, Butter is also selling at a reduced price, Forty cases of eggs has taken quite the lims, \$10 coctor bill, and court of the iman, \$10 cocto

sion of its details. The subject was introduced by motion of Hon. Mr. Lucas calling for the adoption in supply of the clause which called for an annual payment towards the administration of the commission of a sum not exceeding \$100,000, the same to be drawn from the consolidated revenue fund as the

lieuten nt-governor might direct. piloted the measure through the House thus far, drew attention to a press criticism concerning the day of proclamation. In a purely non-partisan spirit he would state that any delay was due entirely to the neces sity of organization before operation could be thought of. The hope was ing it into force this year, but Belleville. Frame buildings amendation of the commission itself would necessarily have to Denike for particulars, Belleville, 12 be considered. To end the discussion and fix a date he was prepared to move in committee that at the very latest the new year would be chose but that if at all possible he would advise the first day of November. Mr. Rowell asked whether the sum

mentioned would cover the total expense. The reply was that the amount would likely be exceeded to a small extent but the hope was that it would be very small.

with white breast and feet. When leaving on the 20th Feb. he was fat and had a strap around neck. Any information leading to recovery thankfully received by Christopher Wright, Hillier, Ont. m21-2td vtw

Mr. Rowell called attention to change in the final draft. While he had understood the Meredith draft to opportion compensation as the difference between the earning capacity of the man before and after injury he understood that it was now changed to that the basis was but 55 per cent.

of this difference. He wished to know the reason for the new arrangement The Provincial Treasurer stated that the change had been made mere-

spirit, but their point in this connection had been ignored.

Hon. Mr. Lucas said the labor men in a conference with himself had united in expressing their commendation of the clause under question.

The place, consisting of 70 acres, will be offered for sale at 3.30 o'clock on day of sale subject to a reserved bid. Last evening, the Y.M.C.A. juniors W. S. Brewster (S. Brant) entirely played a game of 10 pins, with the favored the bill. Moreover while workmen had commended it, manu-15th Regt, at the armouries and went away beaten to the merry tune of 309 pins Sergt Major Hector and his facturers also had shown remarkabl

sentiment, and in the city of Brantford not one employer had opposed W. D. McPherson (W.
