**HYDRO-ELECTRIC  
FOR PR. EDWARD**

Deputation Interviews Sir Adam  
Beck Who Gave Them Much  
Encouragement.

The following delegates from this county attended the annual meeting of the Hydro Electrical Association at Toronto, Feb. 21st:—Reeve Clark, Messrs. W. W. Fitzgerald, J. Shury, Jos. Tesky, of Wellington; Reeve E. S. Mastin, Bloomfield; Reeve Amos McDonald, Hallowell; Warden W. W. Anderson, Ameliasburg; Mayor Heaslip; R. W. Wright, Councilors Collier and Allison, Messrs. H. B. Bristol, W. McCornock, Dr. Philp, and Fred Newman of Picton.

Ontario is divided into twenty districts, and no other district was so well represented. The delegates found that the work of preparing the estimate for this county was being proceeded with as fast as possible. The figures for the powers and light line alone are complete; the figures for radials will be complete in four or five weeks. The Commission renewed their promise to proceed with the power and light line as soon as the necessary by-laws are passed, if that is the wish of the county.

Outside of the routine business, the main discussion was Toronto-Niagara radial road and the fight between the Canadian Northern and the Hydro Electric Commission in that district.

Mr. Nelson, Parliament, M. P. P., arranged for the reception of the Prince Edward delegation by Sir Adam Beck, at 11.15 Wednesday morning. Sir Adam reviewed the Hydro-Electric situation and assured the delegates that the estimates for Prince Edward County were nearly complete. The figures on a power line were complete and could be given in a couple of days; also that construction could start as soon as the necessary by-laws were passed, if that is the wish of the municipalities interested. He said that the figures and estimates for the radial road would be complete in four or five weeks. He referred to the Canadian Northern as likely to be taken over by the government soon, and if this was done, the Trenton to Picton branch would be taken over by the Hydro-Electric Commission and converted into the proposed electric road.

Mayor Heaslip, Mr. H. B. Bristol, and Reeve Mastin spoke for the delegation, urging the construction of the power line at once, on account of the high cost of coal. As power and light seemed to be main object of the delegation, and the figures and estimates for the railway were not complete, Sir Adam confined his address to Hydro-Electric work in general, and to power only as regards Prince Edward. To bring down the power line at once with the present high cost of electrical equipment and labor, would be as follows according to amounts taken:—Picton two hundred h.p., \$57.75; three hundred h.p., \$45.90; Wellington 75 h.p., \$45.90; 100 h.p., \$35.45; Bloomfield, 50 h.p., \$36.55; 75 h.p., \$50.32. If a larger amount of power is used, the price would be correspondingly lower, as the cost is based on the cost of power plus interest on capital invested in constructing and equipping the line. The figures are for a 24 hour service, and may be used for power in the daytime and for light at night. With radials, the railways would use considerable power and make the rate much less.

Sir Adam renewed his promise to come to Picton and address the electors as soon as all the estimates were complete. He assured the delegates that the figures for Prince Edward were receiving every attention, and that all Hydro-Electric developments to date had been a financial success. The organization of Prince Edward County into a Hydro-Electric Railway district, as organized on Feb. 16th, was constitutionally confirmed by the Association. The following Provincial officers were elected and are the Board of Management or directors, which may exercise all the powers of the association, subject to confirmation at the next annual meeting:—Hon. President, Sir Adam Beck; Hon. Vice Presidents, Hon. I. B. Lucas, Attorney-General, W. K. McNaught C. M. G.; President, Mr. J. W. Lyon, Guelph; Vice Presidents, Mayor Church, Toronto, Mr. A. F. Wilson, Markham, Mayor Dr. H. A. Stevenson, London, Mayor J. J. Duffus, Peterboro, Mayor C. G. Booker, Hamilton, Mayor W. B. Burgoyne, St. Catharines, and Mr. Fred Newman, Picton; Treasurer, G. Powell; Secretary, Mr. T. J. Hannigan.

Each organized district is entitled to eight representatives on the general executive committee. The following were elected:—Warden Anderson, Reeves Clark, Mastin, McDonald, and Wright, Mr. H. B. Bristol, and Mr. G. M. Farrington. —The Times.

**ADDRESS AND PRESENTATION**

On the evening of Feb. 28th, a large number of friends and neighbors of Mr. and Mrs. Francis C. Rushnell, 2nd concession of Huntingdon, and treated them to an old-fashioned surprise party, prior to their removal to Trenton. An address was read, and Mr. and Mrs. Rushnell presented with a well filled purse. A most enjoyable evening was spent before the farewells were spoken. Following is the address:—

Mr. and Mrs. Rushnell and family, — Having learned with regret that you are about to leave our midst, and thus sever the ties that have bound us together for so many years, we, a goodly number of your friends and neighbors, have assembled here to spend a social evening with you before your departure for your new home in Trenton.

As a friend and neighbor, we have always found you kind and obliging and ever ready to reach out the helping hand in time of need. We know that words, at best, give but a poor expression of our deeper feelings, but we assure you that you and your family will be greatly missed in our community.

And now, as a slight token of esteem, we ask you to accept this purse; and, in presenting it to you, we express the wish that it may convey our heartiest good wishes for your comfort through life, and may it often remind you of the days spent among your old friends.

May God grant you long life, happiness, and prosperity in your new home.

Signed on behalf of your friends,  
T. E. Elliott,  
George Datoe.

**TWEED**

Mr. Phillip Allore has opened an automobile and carriage painting establishment on the east side of the river.

The return hockey match, Sulphide vs. Tweed, was played on the local rink on Thursday night last, and resulted in a victory for the home team by a score of 5 to 4.

The epidemic of mumps is making the rounds of the village. It is interfering seriously with attendance at the schools. Nearly half the pupils are absent from some of the rooms.—Marmora Herald.

M. and Mrs. D. Rogers of Bloomfield, are spending a week visiting his sister, Mrs. Jas. Molyneux.

Whooping cough is responsible for several deaths amongst children at Flinton during the past week.

Mr. J. P. McCabe returned to Bellville on Tuesday, after spending a week with Stoco friends.

There was placed in the silent tomb in St. James' cemetery on Thursday of last week, the remains of the late Charles M. Way, whose demise occurred at his late home in Tweed on the Tuesday previous, after an illness extending over five months. The cause of death was sarcoma, which the physicians diagnose as being of the nature of cancer. It first made its appearance by a swelling in his neck in October of last year, and, notwithstanding that the best medical skill was consulted, it was of no avail, and after five months of intense suffering, death came to relieve him. The deceased was residing at 12, 35 this morning as it was believed that some one was trying to force an entrance into the cellar by means of a window. No traces of the man could be found.

boy, removed with his parents to Hungerford, where they resided until 1873 when they removed to Tweed. Prior to his marriage to his late wife, Jane Rath, who predeceased him eight years ago, he was employed as a brakeman on the G. T. R. running from Belleville to Toronto. Returning to Tweed, he entered the painting profession and continued the same up to the time of his affliction. He was a staunch Liberal in politics, a descendant of the U. E. Loyalist stock of which he was often heard to speak with pride. He is survived by a family of four daughters, namely: Mrs. Jas. Thompson, and Misses Lillian and Libby at home, and Mrs. Dorricott, Toronto. He is also survived by four sisters, J. W. Lyon, Guelph; Vice Presidents, Mayor Church, Toronto; Mrs. Lazenby and Miss Lydia of Victoria, B. C., and Miss Mary E. Way, Tweed; and one brother, Mr. Geo. Way, Chapman.—The Advocate.

**HOW M. C. LINDOS FOUND A CURE  
IN DODD'S KIDNEY PILLS**

One of the Reasons Why Dodd's Kidney Pills Have had a Phenomenal Growth of Popularity in the West.

Ellscoot, Alta., March 5th—(Special.)—The growth of popularity of Dodd's Kidney Pills in this section of the Great West has been phenomenal. They cure kidney disease. That much has been proved again and again. One of the latest proofs come from M.C. Lindos, well known and highly respected here.

"Thanking Dodd's Kidney Pills seems a small way of expressing my gratitude," M. C. Lindos states. "I suffered from headaches and dizziness and was unable to find anything that would do me any good. I tried several medicines that were advertised to cure my trouble, but they did not.

"Dodd's Kidney Pills were recommended to me by a friend and I sent for a box and gave them a trial. The result is that I am feeling fine now. I shall always keep a box of Dodd's Kidney Pills handy."

Dodd's Kidney Pills cured M. C. Lindos because the trouble came from the kidneys. Lumbago, rheumatism, dropsy, heart disease, diabetes and Bright's Disease are other troubles that come from sick kidneys. To cure them cure the kidneys with Dodd's Kidney Pills.

**SUDDEN DEATH AT TWEED**

Tweed, March 2.—John W. Shaw, grocer of this place, died suddenly today at 6.30 o'clock. He was in his usual good health and down at his office for his mail at 1.30, and was found at 3.30 p.m., lying unconscious on the floor of his store by a customer. A doctor was called, and found he had had a stroke, but he never regained consciousness. Mr. Shaw was 63 years of age and a life-long resident of Tweed. He leaves a wife and two children. Mr. Shaw served several terms in the council and was also reeve of the village some years ago.

**BELL MANAGERS MET**

Discussed Routine Matters.—Represented Three Circuits Managers of the Bell Telephone Company and their staffs to the number of about forty, from districts VII, VIII, and XV, extending from Sault Ste Marie to Kingston, held a conference at the City Hall here on Friday. The subject under discussion was matters of routine nature. The head office was represented by Mr. P. A. McFarlane, commercial engineer; the division by Mr. A. T. Smith, divisional superintendent, Toronto; the district by F. Doan, district superintendent, Peterborough, the audit department by Messrs. W. R. Stewart and C. S. Hudson. Mayor Ketcheson extended a welcome on behalf of the city.

**TRIED TO FORCE ENTRANCE**

The police were called to the residence of Mr. George Lee on Cedar street at 12.35 this morning as it was believed that some one was trying to force an entrance into the cellar by means of a window. No traces of the man could be found.

**SOLDIER WRITES**

5th Howitzer Battery, Risboro Barracks, Shorncliffe.

Dear Susie and Wesley,

Your letter to hand of yesterday pleased to hear that you were all well, and pleased to hear everything is going along fine; also, I am pleased to say that I am about better now. I am expecting to get out of the hospital about Thursday and then I am going to see my brother.

Well, dear Susie, I have not received the butter yet and parcel from home, but I hope it will be here in a few days now. But I will thank you very much; I am sure I will like it all right. I can eat any old thing at all when I get out of here, as I have been on milk etc. for nearly a month, so I am getting hungry now and I'll make things fly alright.

Well, I am pleased to say that I am feeling a lot better than I did before I came in the hospital. I was feeling pretty rotten; my temperature was up to 104.2. But I am back to normal now and trust that I may stay well now that I have had a good rest.

Well now, I suppose you had a good time at Christmas. Regarding myself, it wasn't too bad under the circumstances, as we were under quarantine for three weeks with the

messes. But, thank God, I have pulled through. Jake and I are ready again for duty. I expect that we will be on draft for France very shortly now, as every man is to be available for France by the end of February and it will soon roll around now. But I should worry. We keep smiling and trusting to God to protect us from the temptations and dangers that may be set before us, and it is on Him that we put our trust, and hope that good times are in store for us in the near future so that we can have our Christmas dinner by our own fireside once again.

There was never a time in this war when the men were so determined to fight it out as they are today, a few days now. But I will thank you very much; I am sure I will like it all right. I can eat any old thing at all when I get out of here, as I have been on milk etc. for nearly a month, so I am getting hungry now and I'll make things fly alright.
