**Permanent Work
On Foxboro Road
at Last Under Way**

The Foxboro-Belleveille provincial highway is at last under repairs. Two miles north of the city, a gang is grading southward over the worst section of the road. The entire highway from Belleveille to Foxboro will be graded this year.
A culvert gang is to arrive here in a few days to put in the necessary drainage and culverts.
The road allowance is 66 feet and the drawing portions of the road will be of standard width for two-way traffic.
It is anticipated that a crusher will be brought here to get out the material for the surfacing of the highway.

The East Hastings member in the Legislature, Mr. H. K. Denyes, has striven ceaselessly to get this road improved at an early date as possible. To him is due the fact that it is now a provincial highway.

Mrs. Percy Snider and daughter Jean, of Toronto, are visiting the parental home on Herchimer Ave.

**HORSE BROKE LEG;
ANIMAL DESTROYED**

A horse, the property of Mr. Howland Clarke, of the Citizens Dairy, had to be destroyed owing to its having broke one of its hind legs while running away on Coleman St. near the footbridge. The animal had been used by the 34th Battery and was tied in the yard of the dairy.

The horse broke loose and ran out to the street and started north along Coleman in mad career, dragging a board to which the headstall was attached. The horse had to turn aside to avoid a southbound motor and in so doing slipped and fell against the curbing, causing the fracture. G.T.R. Officer Maker happened along and put the unfortunate animal out of misery.
