PROGRESS OF THE WAR

[March 9 to March 15]

features of the war for another week, -a both parties seem to think must take week which, in spite of some lamentable place some time this year, perhaps in fortunes of war, has resulted more to the June. advantage of the Allies than to that of their Teutonic foes.

In the western field of the European conflict the Allies have achieved success in Alsace in bitterly contested engage-They have advanced, also, to the border Lieutenant Governor Josiah Wood read f Lorraine beyond Luneville; and at a the speech from the throne, which we re point on the river Aire on the eastern side of the Argonne forest. But the most Owing to the illness of the important advance was that made at Hon, W. B. Dickson, Mr. O. M. Melanso Neuve Chapelle, to the north of La Bassée. took his seat as Acting Speaker. Mr. In this advance British troops, including Canadians, were engaged; and it is gratifying to know that our own men have shown so heroically the "mettle of their pasture." This advance, the most impasture. Henry B. Rainsford, the veteran Clerk of the House, being seriously ill, the Assistant Clerk, Mr. G. Y. Dibblee, took his place, and Mr. G. H. Flewelling acted as Assistant Clerk.

Weir building has already begun, that and boat-building being the chief industries among the fishermen at present. Although the weather has been very windy yet it has been such as to allow the work of renairing of some of the weirs.

ground at no point, and to have advanced at several points, especially to the north of Warsaw, where they now hold Przaof Warsaw, where they now hold Prza-Galicia is still holding out, the siege beginning to rank as one of the most prolonged in history, and the Austro-German forces of the people of this Province and the assisted that the dependence of the people of this Province and the assisted that the had been very pleasantly spent. Very meagre news has been forthcoming Very meagre news has been forthcoming of the activities of the week in this field pire's call in the great crisis. The Address was adopted without division; and of the war; but severe weather has, no dress was adopted without division; and be able to attend to her home duties

doubt, interfered with operations.

Of land battles in any other part of the war's stage little or no news has been given out, though we hear of preparations given out, though we hear of preparations Lieutenant Governor. being made and of movements contem-

plated.

The bombardment of the forts of the Dardanelles is proceeding to the satisfaction of the Allies; and Admiral Carden is settle down to the serious work of the North Roads.

Mrs. Evelyn Calder, who spent the past week with relatives at Wilson's Beach, has returned to her home at North Roads.

Mr and Mrs. Emery Matthews and credited with the prediction that the fleet session, which is not likely to be a very will have forced its way to the Golden Horn by Easter. We hope his prediction will be verified.

In the waters surrounding the British Isles the German submarines have continued their activities in spite of the loss of a number of them. We have to record the sinking by a submarine of the auxil- Editor Contract Record : by the Allied fleet, but the damage done developed.

has not been made public. It is gratifying to be able to record that that many industries could be developed the Dresden has at last been sunk by British warships near the Island of Juan

Handwar industries could be developed with great benefit to Canada and the for the Chamcook plant at Chamcook. This would indicate the running of the British warships near the Island of Juan
