AIRPLANES TO FLY 250 MILES AN HOUR

British Machines Will Also Rise to Height of Over 22,000 Feet

CONSTRUCTION HIGH

Point Reached While Aerial Campaign Will Not Affect

REPRISALS ADOPTED

Britain Now Fully Prepared for Aerial War on Germany.

London, Oct. 5.—England's impending retaliation for the German air raids is the main feature of the London papers, made conspicuous with big headlines. There is no opposition expressed, even in quarters where the reprisals have been deprecated in the past, while elsewhere the decision is welcomed with enthusiasm.

It is asserted that the Government's decision does not indicate any sudden change in policy, the matter having long been under consideration, and that acquiescence to the popular demand is in no wise implied. The apparent delay in adopting the policy of retaliation was due, it is said, to considerations of construction and the necessity of keeping the requirements of the army on the western front supplied.

War planes of every type can now be produced by the allies in far greater numbers than by the enemy, and it is asserted that the allies are fully equipped to carry on aggressive air warfare on a great scale.

The Total Casualties
At a meeting here last night, which received messages from various organizations and mayors throughout the country, a resolution was carried demanding one response to the head of the air service, adequate defence against raids and sufficient machines both at the front and for a great air offensive. Joynton Hicks promised machines with a speed of 250 instead of as at present, 150 miles per hour, would be able to ascend higher than twenty-two thousand feet, the present breathing limit, and out of range of the guns, using a special breathing apparatus, and also able to carry a considerable weight of bombs. He asked the following question, the answer of which cannot at the moment be confirmed: "Last week the London official casualties were 52 killed and 257 injured. Do you think that the total casualties of the civilian population of Britain from air invasion to date are greater than the whole casualties of the civilian population of Belgium during the invasion?"

NOBLES IN OTTAWA.
By Courier Leased Wire
Ottawa, Oct. 5.—Lord Northcliffe, head of the British mission in the United States, arrived in Ottawa this morning. Lord and Lady Reading and members of the mission reached Ottawa by the noon train from New York. Conferences with a view to securing co-ordination of war effort between the United States Government and Canada are expected to open to-morrow. Matters which will be particularly under discussion are finance and the employment to the full of Canadian resources.

ATTEMPTED BURGLARY.
By Courier Leased Wire
Toronto, Oct. 5.—Tempted by the sight of a display collection of bills in the window of a bank, a man, dressed in a dark suit, heaved a stone through the window. The sound, however, awakened the drugist, who made an effort to grab a hand which he saw stuck through the opening made by the stone. Templeton fell headlong through the window. Although bleeding profusely he chased the thief, who, however, made good his getaway.

BANK CLEARINGS.
By Courier Leased Wire
London, Ont., Oct. 5.—Local bank clearings for the week ending to-day total \$2,454,116; for the corresponding week last year, \$2,222,532, showing an increase of \$231,584 for the past week.

SICK, SOUR, STOMACH INDIGESTION OR GAS

Take "Pape's Diapiesin" and in five minutes you'll wonder what became of misery in stomach.

Wonder what ailed your stomach—whether portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; heady dizzy and aches; belch gases and acids and cramp undigested "food" breath foul, tongue coated—just take a little Pape's Diapiesin and in five minutes you wonder what became of the indigestion and distress. Millions of men and women today know that it is needless to have a bad stomach. A little Diapiesin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapiesin which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.

BANK CLEARINGS.
By Courier Leased Wire
Hamilton, Ont., Oct. 5.—Bank clearings for the week ending to-day totalled \$5,178,438, as compared with \$4,512,146 for the corresponding week a year ago.

TWO LIBERALS ENTER CABINET

Hugh Guthrie Becomes Solicitor-General of Win-the-War Ministry.

Ottawa, Oct. 3.—C. C. Ballantyne, of Montreal, a Liberal prominent in commercial circles in Montreal, was sworn in as Minister of Public Works for Canada to-day, and the first step toward the realization of the Prime Minister's desire to reconstruct his Cabinet on the basis of a union of the war parties in the country was taken. A second such step will be made, it is rumored, to-morrow, when Hugh Guthrie, M.P. for South Wellington, is to arrive in the capital. Mr. Guthrie, it is reported, will enter the Cabinet as Solicitor-General, a post which Hon. Arthur Meighen relinquished to become Secretary of State.

Medical Boards are Ready!

Medical Boards are now ready to examine all men who apply as to their physical fitness for military service. These boards are established throughout this district.

Upon examination, the medical board will classify each applicant according to his fitness; into Category A if he is fit for service in overseas fighting units; Category B if fit for service overseas in Army Medical Corps, Forestry Battalions, etc.; Category C if fit for service in Canada only, etc.

Only men whose medical examination places them in Category A will be included amongst those required to join the colours in the first instance; the man placed in any other category will remain at home until men in the category to which he has been assigned are called to the colours. The men placed in Category A may still apply for exemption on any ground.

Men between the ages of 20 to 34 inclusive, who were unmarried or widowers without children on July 6th, 1917, are strongly advised to report before a Medical Board at once. This is the quickest and surest way for them to find out their status under the Act.

Parents and employers are also urged to have those in whose cases they are specially interested visit a Medical Board and undergo examination. The methods of examination are simple and will result in no discomfort or inconvenience.

Now is the time for employers to obtain facts of the greatest value to them in making their calculations. The Medical Boards will determine how many of their employees will be left at home for physical reasons and how many will be selected for service unless an application for exemption be made with success.

Issued by The Military Service Council.
