#### AIR RAID FAILS.

German Visit to Paris Results In Injury To a Few Civilians,

PARIS, March 22.—Zeppelin air-ships raided Paris early yesterday and dropped a dozen bombs, but the damdropped a dozen bombs, but the damage done was unimportant. Seven or eight persons were injured, but only one seriously. Four of the aircraft started for the capital following the valley of the Oise, but only two reached their goal. Missiles also were dropped at Compeigne, Ribecourt and Dreslincourt, but without serious result.

Paris remained calm while the aer-Paris remained calm while the aerial invasion was in progress and residents of the city exhibited more curiosity than fear, as to the results. Trumpets gave the signal that all lights must be extinguished as soon as warning was received of the Zeppelins' approach. Searchlights were turned on the alexander of the search of turned on the clouds, anti-aircraft guns opened fire, and aeroplanes rose to attack the Germans, but their operations were hampered by a heavy

Official communication regarding the raid declares it served only to show how well the defensive arrange-ments would work out when put to the test.

Official reports show that eight bombs were thrown at Asnieres, where three persons were wounded. An incendiary bomb set fire to a house at Neuilly, but no one was hurt, and the flames were quickly ex-

A surgeon was explaining a very uncommon case to his students and finished up as follows:

"This, gentlemen, is a very rare tumor indeed. In all my thirty years' experience I have never come across one like this, and you will see me remove it to-morrow."

"No, you won't," said the patient.

"If that's all the experience you've had of this sort of thing I'm going home."

## How to Paint for Less Money

We'll tell you how in three words-use less gallons. That's the thing to go by in Paint-not the price per gallon, but the number of gallons required plus the length of time it will wear and look well.

"100% Pure" Paint costs about half as much, counting the surface it covers, and wears two or three times as long as ordinary paint.

You pay by the gallon-both for the paint and for putting it on. The Paint that is cheapest for you is the paint that spreads easiest and covers the
