How One Million is Spent

Not less than one million dollars is annually spent by people seeking an absolute cure for Catarrh, Bronchitis and Consumption. Numerous are the remedies, but the one standing pre-eminently above all others is Catarrh-zone. It cures these diseases because it is sure to reach them. Catarrh-zone is inhaled into the lungs, throat and nasal passages, and bathes every part of the diseased membrane with its germ-killing, healing vapor. You simply breathe Catarrh-zone and it

cures. Price 25c. and \$1 at druggists, or Polson & Co., Kingston, Ont.

PROVIDENCE.

The quarterly service of this circuit will be held here next Sunday, May 11th, at 2.30. Rev. Dr. Hanson, of Chatham, will preach and administer the sacrament of the Lord's Supper. There will also be held a reception service for new members, and a baptismal service. All are welcome.

Train Ran 180 Miles in 180 Minutes

Springfield, Ill., April 16. — The Continental Limited on the Wabash Railroad has made a new record from Titon to Granite City, making 180 miles in 180 minutes. This was with five stops—three station stops, one to change engine and one to take on coal. The actual running time was two hours and thirty-eight minutes. The run from Danville to Decatur, 71.5 miles, was made in 70 minutes, including stops at Tolono and Benton.

NEW SEWER

Continued from 1st Page.

A letter was read from Samuel Moore eulogizing the Board for the treatment he had received while at the isolation tent with small pox.

Dr. Hall, in recommending that a sewer be put down on Delaware Ave., said that it was not only necessary as a sanitary measure, but interfered with the development of that part of the street.

Dr. Bray moved, seconded by Chas. Hadley, that the Board of Works be asked to build the sewer. Carried.

Re the matter of the sewer on Wellington street, as mentioned by the M. H. O., it was referred to the Board of Works to report upon.

A resolution was passed authorizing the M. H. O. to see that the regulations as regards vaccination upon the teachers and pupils of the public, separate and high schools be carried out.

Chas. Hadley and Chairman Richards were appointed as a committee with power to look into the hog pen nuisance.

Dr. Hall said that he thought the only thing to do was to have them moved outside the corporation.

Moved by Dr. Charteris, seconded by Dr. Cornell, that the civic accounts be carried.

Meeting adjourned.

Making "Helen's Babies" Go.

John Habberton, the author of "Helen's Babies," said to his publisher when the novel was about ready to appear, "If you want to save the cost of a great deal of advertising, just give me 600 copies of this book, and I'll guarantee to distribute them so that we'll have a success without a cent's worth of advertising being needed."

The publisher, a little reluctantly, took Mr. Habberton at his word.

The author then made a list of all the important bookstores in the United States and found out the name of the head of the department of fiction in each store. Now, the heads of all book departments are all fiends in the collection of autograph first editions—that is, with the author's signature upon the imprint. There is scarcely an exception to this rule. Mr. Habberton, being wise in all that concerns bookstores, accordingly sent to each head a copy of "Helen's Babies" that contained not only his autograph, but a pleasant letter also that expatiated on the merits of the work. The heads were delighted. They instructed their salesmen and saleswomen in the book department to loan "Helen's Babies," to recommend it to every hesitating customer. And thus the book succeeded, though it would have succeeded anyway upon its merits.—Philadelphia Record.

A FREE POSTAL DELIVERY

Continued from Page 1.

cell might memorialize the Government along these lines.

Ald. Waddell endorsed the free postal delivery. He said it would give employment to a number of citizens at fair wages.

Ald. Cowan said that he understood that free postal delivery would double the postage on drop letters.

The Mayor said he doubted if any body would oppose the move on that score.

Ald. Cowan moved, seconded by Ald. Waddell, that the government be memorialized to grant Chatham free postal delivery.

Thos. Scullard wrote the Council that a number of citizens purposed erecting a monument to the late W. E. Hamilton and they asked a refund of the money paid for the lot in Maple Leaf Cemetery. Referred to the Finance committee.

The Mayor suggested that it would be better to leave the lot as it was and make a small grant.

Ald. McKeough said that he had a petition for sewers on Van Allen Ave. and Delaware Ave. It was signed by not quite two-thirds of the ratepayers. He moved that the clerk and the engineer take the initiative. Carried.

This motion required a two-third vote to carry it, but all the aldermen voted for it.

The Chairman of the Board of Works reported that they were having the Rankin dock replanked. He also said that the engineer was anxious to have a street sweeper. He asked that the matter be referred to the Board of Works.

Ald. McKeough said that the Lake Erie B. R. was erecting a building at the corner of Duke and Colborne streets, which was said to be a nuisance to people driving by. This matter was referred to the Board of Works.

The Mayor—That is a very dangerous crossing.

Ald. Mounter said that Contractor Seymour, who had the task of building granolithic walks last year, had promised to return by June 20th. Ald. Mounter said that he had had experience with Seymour, and he thought that the city had better press him to begin work at once.

Ald. Mounter moved that the Clerk notify Seymour to begin work within two weeks. Carried.

The Mayor asked the Board of Works to insist on gates at the C. P. R. crossing on Wellington street. It was the most dangerous crossing in the city.

Ald. Mounter said that he had interviewed the Warden and Property committee of the County Council and had obtained their promise to beautify and fix up the grounds around the Registry office, and he asked that the Board of Works be instructed to act with them. Granted.

Ald. Mounter said he hoped to get the military authorities to give the drill shed a coat of red paint.

Ald. Mounter said that he had a list of about 50 owners of lots in Maple Leaf Cemetery, who were permitting their hedges and trees to grow wild. He thought it advisable that the clerk notify these people to take care of these trees and hedges. The Cemetery committee had no authority to do anything but to cut down all shrubbery not taken care of.

It was moved by Ald. Mounter that the owners be notified that the trees and hedges on their lots must be attended to between now and the first of July or the trees and shrubs would be removed. Carried.

Ald. Cowan asked what the assessment of the Bell Telephone Co. for last year was. He said he saw that it was \$1,000 this year. This seemed a low rate. He asked that steps be taken to have the assessment raised.

Mayor Sulman said that there were several other assessments, which should be appealed against, if what he had been told were true. The Bell Telephone Co.'s plant was worth \$50,000 instead of \$1,000.

Ald. Fleming moved that the Finance committee and the Mayor be instructed to look into the matter of assessments, and enter a appeal before the 14th of May.

The following accounts were passed: W. R. Baxter \$36, Geo. Lam, \$41, Con. Sheet \$2.50, J. J. Cousens \$5.13, R. S. Dunlop \$12, T. A. Smith \$4, J. R. Reid \$15, Horace Rogers \$11.12, William Allen \$2.97, Walter Anderson \$6, Robert Snyder \$5.75, Bert Pritchard \$18.50, Horace Rogers \$6.87, W. Eady \$1.50, Isaac Groat \$1.56, J. C. Wanless \$56, Walter Anderson \$4.10, John Morton, 65 c. pay sheets, two weeks, \$14.04; John Bruce \$15.10, J. G. Steen \$2, S. Hadley Co. \$1.11, Von-Guten Bros. \$1, waterworks department \$115.82, Chatham Manufacturing Co., 80c, A. R. Crow \$6, John Holmes \$3.80, Bell Telephone Co., 85c, G. S. W. 50c, J. G. Steen \$3.20, fire department \$4.22, John McKay \$15, R. Pritchard \$13.60, C. P. R. \$22.19, J. W. Webb \$1.

PROPER SOFT HATS

Start anywhere; they're all proper enough, though qualities differ as one star differs from another.

This line at \$1.00. Smart, with the season's high crown and audacious rolling brim. Two proportions in black, a brown, a slate and a pearl. There's a fur felt knockabout at the same little price. Black, blue, pearl, slate or brown.

\$1.50. Black or brown with splendid finish and good silk trimmings. Also a Stetson shape, black with wide flat brim and narrow band, a very much up-to-date Panama effect with flaring brim and taper crown. Black or slate.

\$2.00 for the black "Pantouris," which dips in front and rolls up behind, and breathes of holidays and a good time.

Styles multiply as prices ascend. At \$2.50, there's a young man's shape, wide and rakish, in the newest colors. Danube, new agate and dark pearl, all with lighter bands and bindings. One feature of this line is the slightly incurved edge with narrow binding like a piping. For older men we show a Christy black at this price—a very staple shape in sizes up to 7½. And these two are only a hint.

\$3.00. That range of newest American hats, beautiful fast colored felts, black and half a dozen shades of gray. All wide rolling brims, with one extreme Panama shape among them.

Pain in the Joints

May be muscular or rheumatic. The joints are hard to get at, and it requires a powerful, penetrating remedy to reach the affected parts. Polson's Nerviline exactly meets the requirements, for it is both powerful and penetrating. The pain is expelled as if by magic, for one drop of Nerviline equals in strength five drops of other remedies. You won't often call the doctor if Nerviline is in the house. Price 25 cents.
