Not Liable For Doctor's Aid.

Toronto, Dec. 19.—"If you want a railway to be liable for the expenses you must telephone down to the company and say: 'Here's somebody you've cuit to pieces, shall I attend, and will you be liable?'" declared Judge Morson yesterday when Dr. W. H. B. Aikens sued the Street Railway Co. for $25 for attending an injured man at the request of the car crew. Dr. Aikens replied that he just wanted a ruling in the matter for the benefit of his fellow practitioners.

GREATEST FEMALE STRENGTHENER ON EARTH.

Thousands of women are wan, pallid, run down and dispirited. What they need is that nourishing tonic Ferrozone. Soon they regain their laughing eyes, bright spirits and rosy cheeks. Ferrozone does this and more, as Mrs. L. F. Anderson, Whitney Pier, C. B., testifies. "My daughter was very much run down and had considerable trouble at times. Often I was at a loss to know what to do. I was advised to give her Ferrozone, and I did so. Ferrozone cleaned up all the trouble, made my daughter healthy and well. I consider it a medicine every woman should use regularly if she wants to feel her best." Rebuild with Ferrozone, it is the King of all cures. Price 50c. per box at all dealers.

Montreal Increases Wages.

Montreal, Dec. 19.—The city authorities have made a general increase in salaries of all municipal officers for the coming year. Every employe from the assistant city clerk down to the day laborers is included. It is expected that the City Council will ratify the increases. The larger revenue enables the city to pay better wages.

YOUR WISEST COURSE

If you are caught in the wet, get sore throat, neuralgia or muscular pain, don't wait for worse troubles. Begin prompt treatment with Polson's Nerviline. It drives away all trace of cold, eases rheumatism, neuralgia and pain, saves you from a lay-up in bed. No 25c. purchase can bring more comfort than a bottle of Polson's Nerviline; it's the cleanest, strongest liniment made. Sold everywhere in large 25c. bottles.

Coal Lands Cornered.

Washington, Dec. 19.—Interstate Commerce Commissioner Clark yesterday, before the House committee on public lands, reiterated his charges that great corporations, in league with railroads, have "cornered" coal lands and forced the prices up to an unreasonable high point.

SYSTEM REQUIRES FREQUENT CLEANSING.

Not only outside, but inside as well, your body must be frequently cleaned. Otherwise it becomes loaded with wastes that clog up the wheels of health. Much better to act in time. Use Mr. Hamilton's Pills; they strengthen and regulate the bowels, assist digestion, enrich the blood and thereby fortify the nerves and lay the foundation of lasting good health.

Dr. Hamilton's Pills bring vim and vitality so much sought for to-day; they infuse a feeling of freshness and spirit in those who have been ailing for years. Really no medicine so potent. Price 25c at all dealers.

Animals and Rain.

It seems strange that no animal, unless it be the squirrel, seems to build itself a shelter with the express object of keeping off the rain, which they all so much dislike. Monkeys are miserable in wet and could easily build shelters if they had the sense to do so, but even the orang outang, which builds a small platform in the trees on which to sleep at night, never seems to think of a roof, though the Dyaks say that when there is much rain it covers itself with the leaves of the pandanus, a large fern.

WHY BURN YOUR TOES?

Stop using Acid Corn Salves, use Putnam's Painless Extractor; it costs a little more, but it's far the best. Use only "Putnam's"—25c. at all dealers.

The police arrested William Porter, better known as "Billy the Bug," for the crime and he was identified by Brockington.

STICK TO THEIR STORY.

Golspie Sailors Say She Would Not Have Been Lost If Properly Navigated—Also Short of Provisions.

Sault Ste. Marie, Dec. 19.—The unfortunate sailors of the wrecked steamer Golspie are making fair progress, but Green and McDonald are not yet out of danger.

The men unanimously repudiate the charges of obstinacy made against them by the captain, and stick to their story that if the ship had been properly navigated she would not have been lost; also that she was short-provisioned.

THREW WHEAT OVERBOARD.

Str. Neepawah Had to Sacrifice Portion of Cargo to Get Free.

Sault Ste. Marie, Ont., Dec. 19.—After being out on Lake Superior since last Friday, the steamer Neepawah reached here long overdue. She went aground near Michipicoten, and had to throw overboard a large part of her cargo of wheat before she could proceed. Ice in the river may make it impossible for her to complete the trip to the lower lakes this winter.

Halifax, N. S., Dec. 19.—A special from St. John's, Nfld., says the American naval tug Potomac and 49 American, Canadian and Newfoundland fishing vessels, with 3,000 nets, were caught fast in the ice floes near Bay of Islands Monday. The Potomac broke the ice holding the fishing fleet.

The Hamilton Riot Cases.

Hamilton, Dec. 19.—All of the rioting cases but one have been disposed of. Nine cases were finished yesterday, and six of the accused got their freedom. John O'Connor was found not guilty of mischief, and the crown had no evidence to offer against Patrick Quinlan, as all the witnesses against him were strike-breakers, who have left the city. John Oliver was acquitted on the charge of breaking the Riot Act. James Moran was found guilty of being a member of an unlawful assembly. Joe Cherrier, Archie Fair, Norman Todd, Charles Decker and Andy Wall, youths, all pleaded guilty, and were allowed to go on deferred sentence. Alex. Thompson was found guilty of rioting, but the charge of assault was not pressed. Only the case of John O'Brien remains to be heard.

THE VAN ZANT ENQUIRY.

Evidence Given of Lax Discipline and Special Favors to Women.

Toronto, Dec. 19.—The enquiry into the charges against Garrett R. Van Zant, governor of Toronto Jail, was continued at the old court house before Commissioner Judd of London yesterday.

Officials of the jail gave evidence that there was lack of discipline, and that certain officials were given privileges and otherwise favored.

One young woman testified that Governor Van Zant had made improper proposals to her, and the trend of the evidence was to show that many women called on the governor, and that sometimes they received special favors.

When the commission opened, Jas. Baird, for the complainant, Brown, said that he would make the investigation exhaustive and call witnesses who might be favorable to Van Zant. Commissioner Judd said that the defence would have ample opportunity to produce all the evidence necessary. T. M. Higgins is Van Zant's counsel.

Nothing Relieved His Kidneys Until He Tried Bu-Ju

MARKHAM, Ont., Dec. 1, 1903

"I had suffered for seven years with kidney trouble. Could scarcely walk and was unable to attend to my farm. Saw "Bu-Ju" advertised, and after taking the first few pills, felt much relieved. In many catarrh snuffs, cocaine is the largely used ingredient; in consequence the drug habit may be formed. It heals sore places, stops discharge, prevents hawking, spitting and bad breath—does this by first destroying the cause of the disease. Catarrhozone is no experiment, it is a tried and proven cure that is guaranteed for bronchial, throat, nose and lung catarrh. Two sizes, 25c. and $1.00, at all dealers.

"It is the little rift within the lute which, ever widening, makes the music mute." It is just a little rift in the health of a woman often, which gradually taken the spring from her step, the light from her eyes, the rose from her cheek and the music from her voice. Perhaps the bugbear which has frightened the woman from the timely help needed at the beginning has been the dreaded questions, the obnoxious examination, the local treatments, of the home physician. There is no need for these. Nor is there need for continued suffering. Dr. Pierce's Favorite Prescription can be relied on by every woman, suffering from what are called "female troubles," to renew the health and cure the disease. Women are astonished at the results of the use of this medicine. It not only makes weak women "robust and rosy cheeked," but it gives them back the vigor and vitality of youth.

Free! Dr. Pierce's People's Common Sense Medical Adviser, 1008 pages, is sent free on receipt of 31 one-cent stamps to pay expense of mailing and customs. Address Dr. R. V. Pierce, Buffalo, N. Y.

BABIES FROZE TO DEATH

Demented Woman Slays Her Two Children And Self

A WHITEFISH TRAGEDY

Sudbury, Dec. 19.—A tragedy has been enacted at Whitefish, a little railway village on the Soo branch of the C. P. R., 18 miles west of here.

An Englishwoman, whose husband is an engineer with the Copper Cliff Mining Co., suddenly became demented. While in this condition during last Thursday night, she took her two children, aged 3 and 8, respectively, from their bed, and, carrying them outside the house, laid them in the deep snow and cut their throats with a knife. She then used the weapon upon her own throat.

Neighbors the following morning were shocked to find the three bodies lying in the snow. The mother and the youngest child were dead, but there was still life in the elder child. Doctors were summoned, but this child also died within three hours after being found. In addition to the fearful gash, its limbs were badly frozen, the night having been desperately cold, the thermometer registering 15 below zero.

Dr. Strothers, coroner, and Police Magistrate Brodie of Sudbury were immediately informed of the tragedy, and an inquest was opened. The husband of the woman stated that his wife's mother, who still resides in the old country, had been in the habit of frequently becoming temporarily insane. This leads to the conclusion that the insanity of her daughter was hereditary.

True Bill For Child Murder.

Brampton, Dec. 19.—The assizes opened this afternoon, Sir William Mulock presiding. The grand jury found a true bill in Rex v. Mrs. Alice Casey for child murder. She is charged with having left an infant to die in a shed at Port Credit last winter. The prisoner was arraigned and pleaded not guilty. The trial goes on to-day.

Ends Life In Stable.

Weston, Dec. 19.—Adam E. Shuntz of Downsview, who drove a milk wagon for Alf. Gaulding, committed suicide during Monday night. He drove into the city as usual Monday morning with the supply for a dairy and left his horses there. Search was made Monday night, but it was not until yesterday morning his body was found in the stable of A. Barnard, his father-in-law, across the road from his own home. He had swallowed carbolic acid. He was about 30 years of age, and leaves a widow. Coroner Charlton considered an inquest unnecessary.

TOBOGGANING DANGERS.

Toronto and Guelph Devotees of the Sport Badly Injured.

Toronto, Dec. 19.—With her two arms broken, Miss Lillian Page, 89 Crescent road, was carried into the superintendent's office at High Park on Monday night. Miss Page was going down in a toboggan, accompanied by Allan Clarke of Howland avenue, but took the bob sleigh route instead of the other. When they had passed out of High Park and were on the Chapman property, the toboggan swerved on the rougher sleigh tracks and struck a swing. Clarke escaped injury.

Guelph, Dec. 19.—In a toboggan accident here, Monday night, Dr. Edward Lyon, son of G. W. Lyon, and Miss Coffee, daughter of Frank Coffee, publisher, of Sydney, Australia, a visitor in Guelph, were cut about the face and severely bruised.

Killed by a Train at Huntsville.

Huntsville, Dec. 19.—John L. A. Gareau was run over by a G.T.R. passenger train at the station at two o'clock yesterday morning. He had made a business trip to Scotia. In alighting from the train stepped off the wrong side of the car steps, fell beneath the wheels and both legs were severed. He died two hours later. He was a tailor and had been a resident of Huntsville for eight years.

Both Legs Amputated.

Toronto, Dec. 19.—Antonio Jonha, an Italian, 40 years old, while cleaning switches at the Grand Trunk yards last night, did not see an approaching engine and was struck. He was taken to St. Michael's Hospital, and both his legs were amputated.

Is It Murder?

Hamilton, Dec. 19.—The county constables working on Robert Livsey's death think they have obtained additional evidence that he was not killed by a Radial car, and that he was murdered. Fred Hayley, motorman on one of the cars, says that Livsey was not on the track when the construction car, the only car high enough to pass over the body without mangling it, passed over the line.

Spend Christmas In Jail.

London, Dec. 19.—Eleven of the women suffragists elected to spend Christmas in jail rather than pay small fines for creating disturbances, within the precincts of the House of Commons Monday night. The women received their sentences hilariously, apparently proud of joining the so-called "suffragists" who already are in prison.

Can't Agree Yet.

London, Dec. 19.—Conferences were held yesterday between the political leaders of both Houses of Parliament, in an endeavor to reach an agreement on the education bill, but were without result. They will be resumed to-day.

Kitchener Selects Kitson.

London, Dec. 19.—(C. A. P.)—Col. Gerald Kitson, commandant at Sandhurst, has been specially selected by Lord Kitchener to command a brigade in India.

TO THE ELECTORS

TO THE ELECTORS OF THE CITY OF CHATHAM.

Ladies and Gentlemen:

I am a candidate for the position of Mayor of the City of Chatham for 1907. Some years ago I appealed to you for support for the same office, and although unsuccessful, I trust that my actions at the Council Board since that time will warrant your support and confidence in the coming election. If elected you can depend that my best energies will be devoted to your interests.

Thanking you for past favors, I
Yours faithfully,
W. M. STONE.

TO THE ELECTORS OF THE CITY OF CHATHAM:

Ladies and Gentlemen:

I am a candidate for the office of Mayor of the city of Chatham for the year 1907, and respectfully ask for your vote and influence.

If elected I shall endeavor faithfully to discharge the duties of the high office, and shall place my time, energies and best judgment unreservedly at the service of the city.

Thanking you for the support you have so kindly given me in the past, I am,

Yours faithfully,
THOMAS SCULLARD.

TO THE ELECTORS OF THE CITY OF CHATHAM.

Ladies and Gentlemen:

I am again a candidate for the position of Alderman of the Maple City, and would respectfully solicit your vote and influence, promising at all times to serve the city to the best of my ability.

JOHN EDMONDSON.

TO THE ELECTORS OF THE CITY OF CHATHAM.

Ladies and Gentlemen:

As a number of my friends have asked me to place my name before the public for alderman for the year 1907, I have decided to do so. If you see fit to support me, I will do all in my power to keep down needless expenses. I was born in this city, and I do take interest in the city's welfare. Hoping you may mark your ballot for me, and wishing you the compliments of the season, I remain,

Respectfully yours,
F. E. BAXTER.

TO THE ELECTORS OF THE CITY OF CHATHAM.

Ladies and Gentlemen:

For the third time I am a candidate for the Council (1907).

I deem it proper to express my views on some important questions.

1. I believe the city property owners are taxed to the limit of endurance. If elected, I shall support conservative, judicious economy, consistently with adequate services to the people.

2. I believe no more bonuses or gifts should be given to new companies except under special circumstances, and in no case without undoubted security.

3. I believe in establishing up-to-date bathing and swimming baths for the citizens.

4. I believe the Board of Health should be re-organized for better service and at greatly reduced expense.

5. I believe the railways and telephone company should be made to toe the mark as to their agreements. I fought them before and will fight them again if necessary.

6. I will not talk to the good ladies, as they will do all the talking for me themselves.

GEO. G. MARTIN.
Chatham, Dec. 15th, 1906.

TO THE ELECTORS OF THE CITY OF CHATHAM.

Ladies and Gentlemen:

I am a candidate for election to the Board of Education for the ensuing year. If my stewardship during the past two years on the School Board has met with your approval, I would respectfully solicit your vote and influence. Wishing you the compliments of the season, I am,

Yours faithfully,
W. C. McARTHUR.

TO THE ELECTORS OF THE CITY OF CHATHAM.

Ladies and Gentlemen:

At the request of a large number of the ratepayers of the city, I have consented to become a candidate for the Board of Education for 1907, and respectfully ask your support by your vote and influence. If elected; I shall endeavor to be worthy of your confidence. As it will be impossible for me to make a personal canvass of the whole city, I take this means of soliciting your support.

Wishing you the compliments of the season, I am

Respectfully yours,
J. C. McLEAN.

TO THE ELECTORS OF THE CITY OF CHATHAM.

Ladies and Gentlemen:

I am a candidate for the Board of Education for 1907 and shall be grateful for your support if you think I am worthy of it. My main object in getting on the Public School Board last January was as my printed platform showed, to work for the establishment of a Board of Education in place of the present Ward system, and the records will show that I have carried out my promises in that as well as in other matters. Following my custom of last year I shall later place my printed platform in the hands of every elector. I was only a few years ago a pupil of the Public and High schools of this city and have always had their best interests at heart.

Wishing you all a prosperous and happy year in 1907, I am,

Sincerely yours,
ROBERT L. BRACKIN.

Minard's Liniment used by Physicians.
