THE ACADIAN

WOLFVILLE, N.S., NOV. 28, 1890.

Local and Provincial.

A very beautiful lunar rainbow was
seen on Tuesday evening.

Thomas (Prinrose, formerly of
Halifax, has just moved to Steam
Mill Village where he will probably
be located permanently.

LADIES!—Tailor made coats are the
best. See our CLOTHES, PLATES and
more. A perfect fit guaranteed.

A. E. CALKIN.

We understand that Mr. G. W. Borden
has purchased the lot of land between
the residences of Prof. Tufts and Mr. D.
Thomas, and will erect a fine residence
thereon next summer.

Mr. John E. Starr, of Starr's Point,
accompanied by his son, Geo. H. Starr,
expect to leave to-morrow for Poughkeepsie,
N. Y., where the latter goes to
attend a law school.

Mr. Jehiel Davidson, of Gaspereau
Mountain, met with quite a serious
accident on Friday last by being thrown
from his carriage. We are glad to learn
that he is rapidly recovering.

Mr. C. M. Vaughan, has sold his farm
at Wolfville to a Mr. Goodacre, an
Englishman, for \$800. This farm is
one of the most valuable in the county.
Mr. Vaughan will likely purchase another
farm if he can find one to suit.

The following appear in the list of
Boys' Societies who were attending
the convention in New York:—Hiram
Kilby, Tucker, George Brown, Shel-
burne, Female College, Miss Hartz,
Yarmouth; Miss A. Blackadar, Wolf-
ville.

The magnificent new steamer *Boston*,
of the Yarmouth steamship line, arrived
safely in Yarmouth on Monday last after
a successful voyage across the Atlantic.
She will leave Yarmouth on her initial
trip for Boston to-morrow on the arrival
of the W. & A. R. train.

"Alas," by Rhoda Broughton, is pub-
lished by John Lovell & Son in their
Canadian copyright series. It is one of
the best works of this celebrated author,
and traces the peculiar caprices of the
affections in a close and studious manner,
which naturally fixes the attention of the
reader all through the book.

The ladies of the Seminary are mak-
ing arrangements to hold a Scotch
Concert in College Hall, on Friday
evening next, Dec. 5th. An excellent
programme is being prepared, and judg-
ing from the successful nature of
previous entertainments we feel like
predicting a successful affair.

The first real winter weather of the
season was experienced during the first
days of this week. On Sunday quite a
snow-storm occurred in some parts of
the county, although only a flurry was
had in Wolfville. Monday was as cold
as an average winter day, but since then
the weather has been mild and warm.

Fred G. Tupper, Horton Landing,
has sold his farm and part of his
stock to W. E. Mortimer for \$4,200,
an advance of 10 p.c. on the purchase
money paid by Mr. Tupper some ten
years ago. This is the old Wm.
Harris property, which afterwards
came into the possession of the late
Robert N. Doris, of Halifax. It is a
fine upland property, with a small
but very valuable orchard on it
full bearing, and no dike land.

James Borden, one of the oldest inhab-
itants of Annapolis, died very suddenly
last Saturday night. He was out door-
ing about the farm during the day; in the
evening complained of shortness of
breath, and was dead before the family
could come to his relief. Heart disease
was the supposed cause of death. He was
in his 71st year, and unlike most other
mortals the anniversary of his birth oc-
curred only once in four years. He was
born February 29th, 1820, and could
only celebrate his birthday quadrennially.
He lived and died on the old homestead
where his father lived before him. He
leaves a wife and four children (all at
home) to mourn their loss.

Since the meeting of the General
Conference in Montreal last September
the Methodist Book and Publishing
House makes another stride forward
in its popular periodicals. A new paper
for young people with the progressive
name "ONWARD," an eight-page, well
illustrated weekly, is issued at the low
price of 60 cents a year, single-copy
5 copies, 50 cents a year. It is edited
by the Rev. Dr. Whitrow, whose
management of the *Methodist Magazine*
and Sunday-school periodicals of the
Methodist Church has been so successful.
The popular *Methodist Magazine* (\$2.00
per annum) and the *Sunday School*
Banner (50 cents per annum) will also
be considerably enlarged and improved.
The Rev. William Briggs, Toronto, is
the publisher of these periodicals.

Two of our Cornwallis young men,
David Sutton and John Byrne, left Wed-
nesday for Florida. We wish them
every success.

Pipes, Cigars and Smokers' Sundries,
finest stock in town, at R. PRAT'S.

A fine barque named the *Calburga*, of
about 1,500 tons, was launched at South
Maidland at high water on Saturday. She
was built by Adam McDougall for Thos.
Douglas, Messrs. Stairs, Son & Morrow,
of Halifax, and others. She has been
classified A1 for 13 years in the American
Record, by Capt. J. T. Wood.—*Tribune*.

We would like to see a little better
accommodation for the public at the post
office in the matter of arrangement for
writing. At a small cost a shelf could
be put up that would be a great conve-
nience. We do not know whose place it
is to look after such matters, but any
person who will give it his attention,
will confer a lasting favor on the public.

The winter time-table of the W. & A.
railway, which went into force on Mon-
day last, will be found in another column.
It is the most accommodating to the public
of any winter time-table ever adopted by
the road and will give general satisfac-
tion. The early morning express is con-
tinued as are also the two freights. There
is very little change in the time of
trains.

The town of Bridgetown is about to
pledge its credit for the sum of \$10,000
to be applied to the operation of the
furniture factory provided a company
is formed that will put in an equal
amount of capital. The town grant to
be a loan to the Co., to be paid in
twenty years. The Co. is also to be
exempt from the payment of water
rates.

It is authoritatively stated that the
bridges on the Digby and Annapolis
section of the western counties railway
are approaching completion and that
in all probability freight cars will run
over the new line by Christmas. The
opening of a through line from Halifax
to Yarmouth will be a most notable
event in the history of the western coun-
ties.

We regret being called upon to-day to
record the death of one of the brightest
and most popular of our young ladies.
Miss Edith Caldwell, daughter of Mr.
Freeman Caldwell, died on Tuesday
morning after a long illness. The
funeral took place on Thursday and was
largely attended. Wolfville Division, of
which the deceased was a valued mem-
ber, attended, clothed in the regalia of
the order. The ACADIAN desires to join
with the many friends of the departed in
sympathy to the sorrowing ones.

Wait for our grand opening of Xmas
Goods. If you buy before inspecting
our stock you will surely regret it.
R. PRAT.

A little son of Mr. C. O. Nichols, of
Watersville, seven years old, met with a
serious, and it is feared a fatal, accident
on Saturday last. He was playing with
some other children in his father's mill,
was kicking the crown wheel with his
foot, telling them how it went. His foot
caught in the wheel and he was thrown
a considerable distance, sustaining dread-
ful injuries. His leg is broken both at
the hip and ankle and his head severely
cut. Drs. Best and Middlemas were
summoned, but feared to amputate the
limb. The little fellow was conscious
and suffered no pain whatever till late on
the following day, since which time he
has been somewhat delirious. He was
reported better yesterday morning.—

Sabbath-school Concert.

The Sabbath-school concert at Port
Wolfe, given three weeks ago, was
repeated on the 23rd inst., before a
crowded house. Some changes and con-
siderable additional matter being added,
made the exercises varied and interesting.
The singing, led by Prof. Hall, of Yar-
mouth, from the fact of his having had
but one rehearsal, was beautifully render-
ed, and shows in a marked degree his
ability as a leader. There is some talk
of the Prof. returning to take charge of
a singing class for the winter; and if so,
we bespeak for him a large patronage.
Miss Marjorie Borden presided at the
organ, (having the use of one of Chute,
Hall & Co's celebrated organs) in a way
that did credit to the performer, as well
as the occasion. The solo, "A Shelter in
the Time of Storm," sung by little Miss
Hattie Masters, was long to be remembered
by those who heard it. A representation
of the "Crown of Life," decorated by
twelve young ladies, each bearing a
bouquet, and five bearing the name
"Jesus," interspersed with appropriate
passages of scripture, evidently was en-
joyed by the audience if the way in
which they joined in singing "Corona-
tion" was any indication of their feelings.
This to some was the crowning part of
the evening's exercises.

Different Kinds of People.

In every community there are always
discriminating people who invariably get
the very best value for their money.
Whether it is in household furniture,
clothing, or any other line, these people
will get the best goods at the same price
as their neighbor gets inferior articles.
Of course, the results always prove the
shrewdness and wisdom of the
discriminating people referred to. It is
a money-making discrimination. In the
same way people of good judgment are
readers of the FAMILY HERALD AND
WEEKLY STAR, Montreal. The know-
ing ones are aware of the great value of
the FAMILY HERALD AND WEEKLY STAR
in the family. They know it is reliable
because in each department it is edited
by the best men that money can secure
and the result is they have a satisfactory
paper, a well-informed paper, a real
authority upon all the questions that
interest the majority of mankind. The
FAMILY HERALD AND WEEKLY STAR,
Montreal, has a universal circulation.
