EFFECT OF CO-OPERATION. An Offer of Momentous

THE WORLD'S GREATEST WEEKLY WITH THE UNION ADVOCATE FOR \$1.75.

Our readers will be pleased to know that we have made special arrangements by which the UMION ADVOCATE and the FAMILY HERALD AND WERKLY STAR of Montreal together, may be had for \$1.75.

be had for \$1.75.

The Family Headd is the greatest weekly family newspaper in the world, and has been wonderfully successful. So greatly has it grown that its publishers have had to cularge it to sixteen pages, and even now it is hard to est all the good things in. No family can afford to do without the Family Hereld, for not only does it amuse and instruct but it repays its subscription price many times over. All the successful farmers, breeders and dairymen andorse it because they find in it divice and instruction that is priceless to them. and which they can get sowhere else. House-

You can get the Family Herald with its remium and free insurance, and The UMON Auvecars for \$1.75. This is an offer so gener-ous that everybody should accept it.

We have them-

Nickel Alarm Clecks Only \$1 each.

Mr. M. Moss, formerly of Chat ham, has charge of our Watch repairing department at present. IT IS NO PICKLE. All work left will be promptly and satisfactorily repaired.

General Intelligence.

VETERANS OF THE FENIAN RAID. OTTAWA. Sept. 25 .- A big delegation who have taken part in more recent rebellions have been granted. It was also interded, he said, that all who sign ed for service should be remembered, as although they had not seen active service it was only because they had not been his has not been done, none of the fully appreciated the strength of the reason that all should be remembered and that nothing would give him greater pleasure than laying the claims of the veterans before his colleagues at the next of the restance of the superintendents. They must go to the Superintendents. They selves do not consider it is to their supplements also ont, will be of a serious and widespread scope, extending from the Atlantic to the Pacific. For some time past a silent movement has been on foot among the station agents and operators along the line of the C. P. R. from the far east and extending over the Rockies. Details of the movement are almost impossible to be learned, for the authorities naturally are inclined to the regulations so as to permit the free importation of thoroughbred stock for breeding purposes.

Outage Sept 30 Minches come done, which, if carried out, will be of a serious and widespread scope, extending from the Atlantic to the Pacific. For some time past a silent movement has been on foot among the station agents and operators along the line of the C. P. R. from the far east and extending over the Rockies. Details of the movement are almost important to provide cold storage for the shipments of the farmers' produce and to modify the quarantine regulations so as to permit the free importance of the complaints and widespread scope, extending from the

MR. TAIT'S STATEMENT.

Mr. Tait, the Assistant General Manager, when seen shortly afterwards, gave out the following statement:—

where a crisis is imminent.

the telegraph operators employed in conof the 15th.

The fire broke out in the adjoining
watchouse, but spread so rapidly that
in less than ten minutes the employees
of the Dodd's Medicine Company, from
the laboratory, the advertising and the
slaboratory, the advertising and the
slipping departments, were all in panie
ifflight for their lives.

The perfect satety of all these persons
once assured, and while more than two
hundred and fifty gross of Dodd's Kidney prills, together with labels, wrappers
all ones of advertising were being
consumed, interest and effort all centered
in the rescue from the advertising
rooms of a mass of seeningly old and
only reason for the strike which has been
of years, consisting of thousands of
seeningly proved to be the accumulations
of years, consisting of thousands of
testimonials from persons cured by
Dodd's Kidney Pills, and dating from
the inception of the business up to the
day of the fire. These records of tri
umph, these proofs of the supreme mertits of this greats kidney treatment were
the most precious of all the possessions.

INDICESTION CONQUERED BY K.D.C. P. R. TRAIN TELEGRAPHERS

STATEMENT FROM MONTREAL. Montreal, Sept. 28 .-- A strike of the on strike without mature consideration.

OTTAWA. Sept. 25.—A big delegation of those who took part in defending Candral from the attack of the Fenians in 1866 waited on Hon. Mr. Laurier and the Minister of Militia to-day, asking for recognition of their services. In rising to reply Hon. Mr. Laurier stated that he to reply Hon. Mr. Laurier stated that he of having to sweep out the offices and Mr. W. H. Allison and several other would like to ascertain a few facts about either scrub the floors or pay a woman members of the executive Committee rethe subject under discussion so that he would have a basis to work upon. To begin with, he said, 'I would like to know about how many men were called know about how many men were called near their stations, and fire up now and the railway, and in no way effects the carry of the C. P. R. out at that time and if it is the desire of then to pump water for trains. There commercial business of the C. P. R. AVER'S parilla

"I was afflicted for eight years with Salts many medicines which were highly rearred to the considered and allowing that time, I tried a great many medicines which were highly recommended, but none gave me relief. I was at last advised to by Tay Ayer's Sarts and the considered fally a third as ever they were. My business, which is that of a cati-diver, requires me to stratford, Ont.

Aver's The Sarsa
Jarilla

Out at that time and if it is the desire of the present delegation that the services of all the remaining veterans who took an active part should be considered and allow in what way it is considered the complaints, Mr. T. M. Pierson, Assistant Grand Chief of the Order of Railway Telegraphers, came here yesterday and met a committee tepresenting that time some 25,000 men were sufficiently a third are now dead. (Some of the members the total probably far nore than never retired."—Thomas A. Johns, Stratford, Ont.
